

# Environment Wales

## Become an Environment Wales registered project.

Environment Wales offer a registration process that helps organisations to be fit for funding, so that they can be confident in accessing Environment Wales grants, as well as other sources made available through external funders. This document contains details of Environment Wales registered projects. For more information about how to become a registered project please phone the team on 02920 431727 or email [info@environment-wales.org](mailto:info@environment-wales.org)

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R017	Flat Holm Victorian Garden Project	Flat Holm Society	Vale of Glamorgan	

The project will primarily be the undertaking of the renovation of the walled farm house garden back to its former condition as a walled Victorian Garden. The garden is in part specifically a wildlife garden and has been designed from the initial blueprint, with the needs of local wildlife in mind. The garden will serve as a recreational area for residential visitors to the Flat Holm Farm House Study Centre, as there are more than 2,500 visitors to the centre each year.

R025	Newport Wastesavers	Wastesavers Recycling Association	Newport East	<a href="http://www.wastesavers.co.uk">www.wastesavers.co.uk</a>
------	---------------------	-----------------------------------	--------------	--

Promoting and undertaking activities which achieve waste minimisation and recycling for the benefit of the environment and demonstrate that these are financially viable options.

R078	Brecknock Small Mammals Project	Brecknock Wildlife trust	Brecon and Radnorshire	
------	---------------------------------	--------------------------	------------------------	--

Provides information about the small mammals in the area - for example, bats and dormice. The construction of concrete bat boxes, as used in the USA, forms part of a survey of distribution and ecology of endangered bat species.

R084	Menter Fachwen	Menter Fachwen	Arfon	<a href="http://www.menterfachwen.org.uk">www.menterfachwen.org.uk</a>
------	----------------	----------------	-------	--

Menter Fachwen is a practical project involving the environmental management of the estate undertaken by people with learning difficulties. Menter Fachwen integrates people who are socially excluded, into their community by setting up small businesses where they train, work, and provide a service to their local community.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R106	Penrhys Environmental Programme	Penrhys Partnership	Rhondda	www.penrhys.com

To enable Penrhys to become a community to which people belong via;

- Providing young people with opportunities for development, both educationally and artistically, with the aim of increasing their employability.
- Developing environmental initiatives in conjunction with others, both within and outside of Penrhys

R113	Hospital Wildlife Gardens	Btcv Cymru	All Wales	www.btcvcymru.org
------	---------------------------	------------	-----------	-------------------

This is a project to safeguard and enhance habitats for wildlife around hospitals and day centres. It is also hoped to create restful and vibrant surroundings for terminally ill patients, or elderly patients in hospital.

R114	Living Churchyards	Btcv Cymru	All Wales	
------	--------------------	------------	-----------	--

A thematic project, incorporating smaller individual projects which aim to arouse interest in the value of churchyards, chapel yards and cemeteries for nature conservation. These projects will draw on improving aesthetic features, such as creating design for churchyards that will allow wildlife to flourish, local people to enjoy the surroundings and easy access to the churchyards themselves.

R120	Friends of Forest Farm & Glamorgan Canal	Friends Of Forest Farm & Glam Canal	Cardiff North	www.forestfarm.org.uk
------	--	-------------------------------------	---------------	-----------------------

Developing the area of Forest Farm, Cardiff, for visitors and local people, through access work which is needed for disabled visitors who wish to visit the bird hide.

R143	Amelia Trust Farm	Amelia Trust Farm	Vale of Glamorgan	www.ameliatrust.org.uk
------	-------------------	-------------------	-------------------	------------------------

Amelia Trust Farm is a 160 acre community farm which serves the urban centres of South Wales. It provides a supportive and caring environment for people, benefiting those who are disadvantaged and allowing them to pursue education, training and recreation facilities provided by the trust.

R144	Denmark Farm Conservation Centre	Shared Earth Trust	Ceredigion	www.shared-earth-trust.org.uk
------	----------------------------------	--------------------	------------	-------------------------------

At the Denmark Farm Conservation, the Shared Earth Trust is carrying out a long-term programme to restore and create wildlife habitats on farmland which was virtually devoid of wildlife interest after a decade of pasture improvement and intensive stock farming.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R147	BTCV Reserves Management Project	Btcv Cymru	All Wales	

The reserves management project is a thematic project through which it is hoped that individual local projects can facilitate the management of a welldefined site of local conservation importance, through training and education of all involved in the projects.

R154	Community Tree Nurseries	Btcv Cymru	All Wales	
------	--------------------------	------------	-----------	--

A thematic project which fosters community involvement in the environment through the operation and maintenance of tree nurseries - providing a stock of locally native trees, acting as an educational focus and encouraging community composting.

R170	Glyncorrwg Action Project	Glyncorrwg Ponds Co-operative	Aberavon	
------	---------------------------	-------------------------------	----------	--

This environmental improvement project from Glyncorrwg Ponds Co-operative promotes the revitalisation of Glyncorrwg by creating business opportunities, employment and social stability.

R199	Antur Waunfawr Recycling	Gwasanaeth Ail-gylchu Gwynedd	Arfon	<a href="http://www.anturwaunfawr.org">www.anturwaunfawr.org</a>
------	--------------------------	-------------------------------	-------	--

A project by Gwynedd Recycling Service, in partnership with Menter Fachwen, to recycle office paper in the Arfon area of Gwynedd. The project will provide valued work opportunities for people with learning difficulties. Other recycling schemes will be developed in time.

R215	Pembrokeshire Frame	FRAME	Preseli Pembrokeshire	
------	---------------------	-------	-----------------------	--

The Pembrokeshire Furniture Store - FRAME project is developing a community furniture store operated by people who have had mental health problems. Eventually the project hopes to repair all unwanted furniture and household equipment for those in need.

R216	Too Good To Waste	Valleys Furniture Recycling Scheme	Rhondda	
------	-------------------	------------------------------------	---------	--

This project from Valleys Furniture Recycling Scheme assists in the alleviation of deprivation by helping meet the furniture and household needs of people on low incomes. There are also opportunities for volunteers to gain valuable work experience.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R219	Gilfach Farm Centre	Radnorshire Wildlife Trust	Brecon and Radnorshire	

Gilfach Farm SSSI Nature Reserve is a 418 acre registered organic upland hill farm in mid Wales. The varieties of habitats are a microcosm of those present throughout the county. The whole farm is open to the public, free of charge, and is also used for organised training groups both through the Wildlife Trust and other bodies, eg Universities, schools & colleges, FWAG etc.

R223	Gwyllo Cymru	Wildlife Trusts Wales	Ceredigion	
------	--------------	-----------------------	------------	--

The project aims to increase opportunities for young people to become involved in local wildlife conservation, through the provision of Welsh ecological education projects, based upon the successful Wildlife Watch approach. A Wales-wide activity programme will be developed, using bilingual materials.

R226	Wood Products Initiative	Gwent Wildlife Trust	Monmouth	
------	--------------------------	----------------------	----------	--

The aim of the Wood Products Initiative is to increase the level of woodland management work through the development of added value woodland products within the Trust's woodlands and to increase the amount of woodland under sustainable coppice rotation.

R228	Fairwater Community Garden	Vision 21 (Cyfle Cymru)	Cardiff West	<a href="http://www.vision-twentyone.com">www.vision-twentyone.com</a>
------	----------------------------	-------------------------	--------------	--

Vision 21 provides vocational training and work experience to people with learning difficulties, aiming for each individual to reach their potential and fulfil their goals.

R230	CRAFT	CRAFT	Ceredigion	<a href="http://www.craftrecycling.org.uk">www.craftrecycling.org.uk</a>
------	-------	-------	------------	--

CRAFT is a social and environmental community based recycling project that provides recycled furniture and household items at low cost to people on low income and benefits. There are opportunities for training in woodwork, administration and interpersonal skills, particularly for those with learning difficulties. CRAFT has also developed an innovative bicycle recycling and hire scheme, and a recycling drive which aims to reduce waste through educating others how to positively effect their environment.

R231	Parc Slip Access and Education Officer	Wildlife Trust of South and West Wales	Ogmore	
------	--	--	--------	--

The project manages the nature park for conservation purposes and improves information, education and access facilities. The primary focus of the access facilities is for less able bodied users of the nature park. The nature centre is also being improved and is available for use by local groups and schools that can also make use of the nature reserve.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R237	Llanidloes Resource Centre Manager	Llanidloes Resource Centre	Montgomeryshire	www.lrc.org.uk

Llanidloes Resource Centre exists to advance the education of the public in the development of a sustainable community, environment and economy in line with the sustainable development agenda of the Welsh Assembly Government.

R257	Crickhowell Tools Workshop/ Tools for Self Reliance	Tools for Self Reliance Cymru	Brecon and Radnorshire	www.tfsrcymru.org.uk
------	--	-------------------------------	------------------------	----------------------

TFSR Cymru collects unwanted hand tools and sewing machines from across Wales. These are refurbished and given free of charge to artisan groups in Africa. They also sell a wide variety of tools in Wales. They import a small number of tools made by Tanzanian blacksmiths to sell in Wales. Income from these activities goes towards funding their joint workshop in Tanzania, where they currently employ three Tanzanians to refurbish tools for local artisan groups.

R268	Valeways	Valeways	Vale of Glamorgan	www.valeways.org.uk
------	----------	----------	-------------------	---------------------

Valeways is a partnership between Vale of Glamorgan Council and local countryside groups. Essential footpath work is undertaken by groups of volunteers, to create a network of interesting and enjoyable circular walks throughout the Vale.

R271	Bodelwyddan Castle Woods Environmental Education and Interpretation	Btcv Cymru	Wrexham
------	--	------------	---------

BTCV has entered into partnership with Bodelwyddan Castle Trust to manage the woodland sensitively for wildlife and to provide access and amenity for people of all abilities. An audio trail has already been created. With 5000 or so visitors per year, the project presents an opportunity for promoting woodland and conservation management, and the provision of interpretation facilities will be an important part of the project.

R276	Abergavenny Cycling Project	Abergavenny Cycle Group	Monmouth	www.monmouthshiregre enweb.co.uk/Abercyclegr oup
------	-----------------------------	-------------------------	----------	--

An enthusiastic group of environmentalists and cyclists demonstrate that cycling can be a viable alternative to the car for short journeys. The ensuing environmental and health benefits are a local step towards a sustainable integrated transport policy.

R286	Daerwynno Outdoor Centre	Cwm Clydach Outdoor Activity Centre	Pontypridd	www.daerwynno.org
------	--------------------------	-------------------------------------	------------	-------------------

The project aims to educate and raise awareness of the beauty, pleasure, and value to the community of the surrounding natural environment, ensure equal opportunity and access to natural resources for all members of the community, provide a well-organised programme of activities and encourage teamwork on practical environmental projects.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R296	Ymlaen Ceredigion	Ymlaen Ceredigion	Ceredigion	

Ymlaen Ceredigion is a partnership trust formed by Ceredigion 21, The Prince's Trust-Cymru and Ceredigion County Council to involve local people in setting a vision and taking action for an environmentally and socially sustainable future.

R299	Volunteer Lengthsmen	National Trust - Brecon Beacons, Mid and East Wales Region	Brecon and Radnorshire	<a href="http://www.nationaltrust.org.uk">www.nationaltrust.org.uk</a>
------	----------------------	--	------------------------	--

In days gone by people looked after the byways leading to their communities, these people were called Lengthsmen. The National Trust uses traditional methods to reinstate land degraded by human activity in ways that prevent further erosion of the soil and loss of vegetation.

R300	Lake Vyrnwy Hedgerow and Wall Restoration	RSPB Cymru	Montgomeryshire	
------	---	------------	-----------------	--

Work at Lake Vyrnwy includes:

Improving 22km of neglected hedgerows, for the benefit of wildlife and the environment; Rebuilding of 6km of traditional dry stone walls; Providing training opportunities for volunteers.

R307	British Trust of Ornithology monitoring project	The British Trust for Ornithology	All Wales	<a href="http://www.bto.org">www.bto.org</a>
------	---	-----------------------------------	-----------	--

This project is improving coverage of BTO surveys in Wales, by encouraging volunteering, making more effective input into initiatives such as the All Wales Agri-Environment Scheme, exploring opportunities for establishing volunteer training courses in survey techniques, leading to enhanced opportunities for employment in the environmental sector; and exploring the potential for setting up a fully-funded office for BTO in Wales.

R316	Swansea Community Farm	Swansea Community Farm	Swansea West	<a href="http://www.swanseacommunityfarm.co.uk">www.swanseacommunityfarm.co.uk</a>
------	------------------------	------------------------	--------------	--

The Swansea Community Farm project, based on a small working farm which used to be a derelict urban site, provides a range of benefits to the local community. The project is based on the model of City and Community Farms in other areas of Wales and England.

R317	Dyfed Permaculture Farm Trust	Dyfed Permaculture Farm Trust	Carmarthen East and Dinefwr	
------	-------------------------------	-------------------------------	-----------------------------	--

Dyfed Permaculture Farm Trust will develop the farm according to permaculture principles - the design of sustainable human habitats based on the philosophy of caring for the Earth and its people. The Trust land provides a space for putting sustainable ideas into practice whilst creating habitats that will encourage wildlife. Conservation of the existing biodiversity of the site is an important part of the work here. Other targets are an openness to experimentation, working cooperatively, encouraging involvement of the local community and new membership.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R318	Wrexham Sustainability Forum	Wrexham Agenda 21 Forum	Wrexham	

This project involves the production of a bilingual directory for local schools and youth clubs, with information about environmental education resources available (both locally and nationally) and details of the environment education programmes of local organisations.

R319	Mentro Lluest	Mentro Lluest	Ceredigion	<a href="http://www.mentrolluest.org.uk">www.mentrolluest.org.uk</a>
------	---------------	---------------	------------	--

Established in 1990, the nursery offers sheltered work for 20 people with learning disabilities. The nursery sells plants to the local community and also supplies the local community council for contract work. A small adjacent area of some 2 acres is being developed as a conservation area and public amenity area. Another field is being developed for use as an organic garden, producing fruit and vegetables to Soil Association quality, for local sale.

R322	Rosehill Quarry Community Park	Rosehill Quarry Group	Swansea West	
------	--------------------------------	-----------------------	--------------	--

The Rosehill Quarry Group was formed in 1985 to provide a recreation, education and nature conservation facility for local communities, including those suffering social deprivation.

They offer areas where:

- Children can play freely and experience something akin to countryside;
- Diverse flora and fauna can flourish; (a) people can participate in caring for their own community;
- Occasional events can be put on for the local community.

R324	John Muir Award in Wales	John Muir Trust	All Wales	<a href="http://www.johnmuiraward.org">www.johnmuiraward.org</a>
------	--------------------------	-----------------	-----------	--

The John Muir Award Scheme encourages social and personal development of people through educational, recreational and conservation activities. This project extends the John Muir Award into Wales. It: develops partnerships with existing youth and environmental organisations; (b) review and produce appropriate educational and promotional material; (c) develop training opportunities for a range of individuals and groups; and (d) contribute to the national environmental debate.

R330	Parc Natur Antur Waunfawr	Antur Waunfawr	Arfon	<a href="http://www.anturwaunfawr.org">www.anturwaunfawr.org</a>
------	---------------------------	----------------	-------	--

Antur Waunfawr is setting up and promoting programmes of environmental, community and interpretative education. Working bilingually, they are producing high quality educational material and developing a community education plan for children, young people, disabled people and groups of all ages (including visitors to the web site). Disabled workers are expected to contribute to the work and managers receive training through the Education Officer so that they can pass on information about the community and educational work of Antur Waunfawr. Education will concentrate on promoting the aims of LA21 and life skills.

R332	National Trust Erddig	The National Trust in Wales	Clwyd South	<a href="http://www.nationaltrust.org.uk">www.nationaltrust.org.uk</a>
------	-----------------------	-----------------------------	-------------	--

Involving and educating the local community (particularly disadvantaged young people) in conservation and habitat management and in doing so improving the local environment both in Wrexham itself and on the Erddig estate.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R335	Community Gardens	Btcv Cymru	All Wales	

A thematic project to offer advice, support and practical help to communities wishing to establish and maintain their own community gardens. Community gardens provide an ideal resource for a variety of individuals and groups for environmental education, horticultural therapy and the provision of opportunities for peace and quiet.

R338	Newport Paths Project	Newport Paths Group	Preseli Pembrokeshire	
------	-----------------------	---------------------	-----------------------	--

The project is a community path scheme designed to support voluntary groups to maintain and enhance the public rights of way network. The group established the Newport Millennium Trail which has significance for local people and brings resources to the community. It will produce descriptive leaflet/guide to the trail which will be bilingual. The group will undertake clearance and maintenance work on other public rights of way which link into the Trail and so increasing and enhancing the original project. The group are also working with local statutory organisations to facilitate access to certain paths for less able users.

R348	Green Gym	Btcv Cymru	All Wales	<a href="http://www.btcv.org">www.btcv.org</a>
------	-----------	------------	-----------	--

A BTCV thematic project, based on the innovative and successful Green Gym TM concept, which provides alternative health care for people with long-term mental or physical health problems. All projects are specially designed for participants with health problems and will be developed in association with professional workers in the health sector.

R350	Community Furniture Enterprise	Groundwork Caerphilly	Merthyr Tydfil and Rhymney	
------	--------------------------------	-----------------------	----------------------------	--

A community-based furniture and electrical appliance recycling project, using a converted Primary school in Pontlloftyn as part of the Upper Rhymney Valley Regeneration Strategy. The project aims to relieve poverty and social deprivation in the Upper Rhymney Valley by collecting unwanted reusable household items and redistributing them to families in need.

R352	Dulais Valley Community Warden Service	Dulais Valley Partnership	Neath	<a href="http://www.dulaisvalley.org">www.dulaisvalley.org</a>
------	--	---------------------------	-------	--

The main focus of the project is the environmental improvement of the Upper Dulais Valley, including the villages contained within it. The project also aims to promote the value of environmental enhancement through education by:

1. Addressing the issues raised in Agenda 21, particularly community composting and recycling
2. Working in partnership with community groups
3. Encouraging Junior Rangers to work on small projects
4. Setting up a drop in centre for landowners and farmers on what grants and schemes are available
5. Providing access to the countryside by improving paths and cycle ways

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
--------	----------	-----------	----------------------	-----

R358	Growing for the Veg Box	Garnsychan Partnership	Torfaen	
------	-------------------------	------------------------	---------	--

Garnsychan Partnership aims to create environmental education opportunities for schools and community groups within the Garnsychan Partnership area. It is a wide-ranging programme developing wildlife areas, study trails and healthy living programmes. The project's main aim and objectives are to encourage the establishment of native species of fauna and flora into the local barren landscapes. The project will create habitats that promote species, develop organic fruit, vegetables and herbs in natural gardens, and provide seating areas with access via paths and walkways.

R360	Water and Wildlife	Wildlife Trust of South and West Wales	All Wales	
------	--------------------	--	-----------	--

Water and Wildlife improve rivers, riverbanks and wetland environments by increasing understanding and awareness of their importance to biodiversity. This is done by:  
 Raising awareness of river issues to a range of groups;  
 Developing, organising and carrying out survey programmes within areas identified for priority action;  
 Implementing practical habitat improvements;  
 Removing actual threats and minimising potential ones;  
 Monitoring the effectiveness of these works.

R368	Rock Park Rejuvenation Project	Friends of Rock Park	Brecon and Radnorshire	<a href="http://www.rockpark.co.uk">www.rockpark.co.uk</a>
------	--------------------------------	----------------------	------------------------	--

Rock Park Rejuvenation Project is improving the appearance of the central area of Rock Park, which has been neglected for a number of years. Overgrown trees and shrubs are pruned and shaped, new planting carried out where necessary and paths are repaired and maintained.

R372	Interpreting Biodiversity: Wildlife Trusts Wales	Wildlife Trusts Wales	All Wales	
------	--	-----------------------	-----------	--

The project forms part of the Wildlife and People Programme of the Wildlife Trusts in Wales. The overall aim of the programme is part of the all Wales Conservation strategy to make biodiversity, wildlife and the environment, and the work of the Trusts relevant to people of all ages. The project will focus on making biodiversity, wildlife and conservation real through events, publications and interpretation.

R376	Trigonos Land Use and Environmental Project	Trigonos	Arfon	<a href="http://www.trigonos.org">www.trigonos.org</a>
------	---	----------	-------	--

The Trigonos Land Use and Environment project aims to fully utilise and appreciate its land by applying sustainable organic and environmentally appropriate practices. The intention is to demonstrate diversification in an impoverished region by creating a community agriculture which extends into crucial environmental issues. It will also offer learning through experience with opportunities of job creation and marketing.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R377	Welsh Food Alliance	The Food Alliance Wales	All Wales	<a href="http://www.welshfoodalliance.org.uk">http://www.welshfoodalliance.org.uk</a>

Welsh Food Alliance: Advances the education of the general public; Empowers the consumer to drive public policy in Wales; Carries out research into all aspects of food and agriculture policy, production, distribution, education, training and consumption

All of these have a view to improving the general health of the public by increasing their knowledge and appreciation of the way in which food is produced and distributed, and the effect this can have on human health and the environment upon which we all depend.

R380	Young Farmers Clubs: Rural Life Project	Wales Young Farmers' Clubs	All Wales	<a href="http://www.yfc-wales.org.uk">www.yfc-wales.org.uk</a>
------	---	----------------------------	-----------	--

The Rural Life Project gives individual clubs the opportunity to work together to safeguard and develop aspects of life within the community.

R381	Coed Craig Ruperra Woodland Project	Ruperra Conservation Trust	Caerphilly	<a href="http://www.ruperra.org.uk">www.ruperra.org.uk</a>
------	-------------------------------------	----------------------------	------------	--

The Trust aims to restore 61 hectare of poorly managed woodland to broadleaf, providing suitable habitats for the bats, badgers, dormice, butterflies and birds. The group aims to develop public access and woodlands walks and provide information and interpretation material to the visitors to explain the importance of the historical Ruperra Estate and woodland.

R383	Learning about Biodiversity	Wildlife Trust of South and West Wales	All Wales	<a href="http://www.welshwildlife.org">www.welshwildlife.org</a>
------	-----------------------------	--	-----------	--

The project forms part of the Wildlife Trusts' Wildlife and People programme in Wales. The overall aim is to make biodiversity, wildlife and the environment, and the work of the Wildlife Trusts relevant to people of all ages.

R386	Riverside Community Market Association	Rcma Social Enterprise Ltd	Cardiff West	<a href="http://www.riversidemarket.org.uk">www.riversidemarket.org.uk</a>
------	--	----------------------------	--------------	--

Riverside Community Market Association is operating and developing a producers' market in a multi-cultural inner city area of Cardiff. The market contributes to the health of both the environment and the community by enabling local producers to sell directly a wide range of high quality Welsh and organic produce and food items at affordable prices.

R393	Practical Biodiversity	Wildlife Trusts Wales	Cardiff Central	
------	------------------------	-----------------------	-----------------	--

The project forms part of the Wildlife and People Programme of the Wildlife Trusts in Wales. The overall aim of the programme is to make biodiversity, wildlife, the environment and the work of the Trusts relevant to people of all ages. This project within the program will focus on taking practical action in the Welsh countryside to maintain, enhance and increase biodiversity.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R395	Crochan	Foothold Crochan Ltd	Llanelli	<a href="http://www.footholdregeneration.co.uk">www.footholdregeneration.co.uk</a>

The Crochan project facilitates the integration of young unemployed people into working life by helping them achieve their full potential in the labour market. The project embraces the environmental benefits of recycling by enabling re-use of household and white goods.

R399	Cwmtalwg LNR	CwmTalwg Woodlands Residents' Group	Vale of Glamorgan	<a href="http://www.cwmtalwgwoods.co.uk">www.cwmtalwgwoods.co.uk</a>
------	--------------	-------------------------------------	-------------------	--

Cwm Talwg Woodlands Residents group manages a local nature reserve (LNR) which consists of three small wooded areas in the suburbs of Barry (Vale of Glamorgan). The aim is to provide conditions favourable for a wide range of wildlife which can be enjoyed by local people, and a place that local schools can use for environmental studies.

R400	Dyfi Eco Valley Partnership	Dyfi Eco Valley Partnership	Montgomeryshire	<a href="http://www.ecodyfi.org.uk">www.ecodyfi.org.uk</a>
------	-----------------------------	-----------------------------	-----------------	--

The Dyfi Eco Valley Partnership fosters sustainable development in the Dyfi Valley, primarily through strengthening the 'green' economy. The Partnership intends to work mainly through the following themes:

- > energy
- > sustainable tourism
- > woodlands
- > transport
- > waste management

R404	Maesgwyn School Garden 'The Great Outdoors'	Friends of Maesgwyn	Cynon Valley	<a href="http://www.aesgwynschool.com">www.aesgwynschool.com</a>
------	---	---------------------	--------------	--

An environmental review highlighted the need for development of the grounds to raise environmental awareness within the school and wider community. The project includes planting, allowing self seeding and reducing mowing to provide habitats for wildlife and increased biodiversity.

R410	Sardis Parks and Gardens	Sardis Parks and Gardens	Carmarthen West and South Pemb	
------	--------------------------	--------------------------	--------------------------------	--

The volunteers are working to improve the centre of the village by cleaning up, removing rubbish, clearing out ditches, laying hedges and maintaining the work already done. Areas now free of rubbish are planted with native plants and boxes of flowers.

R423	Forest School - Swansea, Neath and Port Talbot	Forest School Swansea Neath and Port Talbot	Gower	
------	--	---	-------	--

Forest School, Swansea, Neath and Port Talbot is a new organisation set up to provide a high quality Forest School experience for children and young people of all ages in the area, by creating safe and supportive outdoor woodland environments in which to participate in a wide range of activities, woodland crafts, art and play.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R425	Tan y Ffordd Community Park	Pwyllgor Pentre Carmel	Arfon	

The Tan y Ffordd Community Park project focusses on transforming an area of re-designated land earmarked for housing development into a community garden, with parking facilities, that is used by both visitors and local people.

R427	Awel Aman Tawe Community Windfarm and Education Centre	Awel Aman Tawe	Neath	<a href="http://www.awelamantawe.org.uk">www.awelamantawe.org.uk</a>
------	--	----------------	-------	--

Awel Aman Tawe is a community energy and environmental charity. The ultimate aim of the project is to support a process of local regeneration through the establishment of a small community-owned and managed windfarm, and develop an Environmental Education Centre.

R432	Planed : Valuing the Environment	Pembrokeshire Local Action Network for Enterprise and Development	Carmarthen West and South Pemb	<a href="http://www.planed.org.uk">www.planed.org.uk</a>
------	----------------------------------	---	--------------------------------	--

Planed provides the crucial link between communities and specialists - to facilitate expert guidance and support to enable them to work together to restore, manage, enhance and interpret the distinctive environmental resources of Pembrokeshire, increasing community involvement and capacity.

R436	The Centre for Alternative Technology	Centre for Alternative Technology	Montgomeryshire	<a href="http://www.cat.org.uk">www.cat.org.uk</a>
------	---------------------------------------	-----------------------------------	-----------------	--

The Centre for Alternative Technology (CAT) inspires, informs and enables people to take up sustainable solutions at a domestic, corporate and governmental level.

R441	Fernhill Landscape Improvement and Nature Team	FLINT	Cynon Valley	
------	--	-------	--------------	--

FAR is a group of residents from Fernhill, aiming to help private properties on Fernhill, which cannot get support from larger agencies to maintain their gardens.

R444	Homemakers Community Recycling	Homemakers Community Recycling	Monmouth	
------	--------------------------------	--------------------------------	----------	--

Homemakers Community Recycling research and promote a range of recycling activities in Abergavenny and Monmouthshire, with emphasis on furniture recycling projects.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R448	Gwaith Powdwr	North Wales Wildlife Trust	Arfon	<a href="http://www.wildlifetrust.org.uk/northwales">www.wildlifetrust.org.uk/northwales</a>

This project is concerned with the ecological and environmental restoration of the former ICI Nobel Explosives Company's site in North Wales. The site is no longer required for use and is therefore available for restoration to a semi-natural condition.

R462	Cymdeithas Edward Llwyd - Llen Natur	Cymdeithas Edward Llwyd	Arfon	
------	--------------------------------------	-------------------------	-------	--

This is a project initiated by Cymdeithas Edward Llwyd, the Welsh Naturalist Society, to collect information and increase understanding and awareness of environmental biodiversity, through the specific study of flora and fauna, practical conservation work and an investigation into cultural connections and the role of plants in Wales. The project will promote, celebrate and record the role and importance of plants and their impact/ influence on the lives of the people of Wales.

R464	Volunteering Opportunities through Cardiff Conservation Volunteers	Cardiff Conservation Volunteers	Cardiff North	<a href="http://www.cardiffconservation.org.uk">www.cardiffconservation.org.uk</a>
------	--	---------------------------------	---------------	--

Cardiff Conservation Volunteers promote the conservation, protection and improvement of the physical and natural environment and provide the opportunities and means for adults in the Cardiff area to take part in a range of practical conservation work with with the managers of sites across Wales.

R466	Eco Dysgu - Eco Learn	Eco Learn	Ogmore	
------	-----------------------	-----------	--------	--

EcoDysgu-EcoLearn is an education centre of ecological and sustainable life. They run daily workshops teaching skills of sustainable crafts such as willow weaving, woodcarving, green woodwork, renewable energy, spinning, animal care, Celtic roundhouse building, yurt building and much more.

R467	Forest School Wales	Forest School Wales	Gower	<a href="http://www.forestschoowales.org.uk">www.forestschoowales.org.uk</a>
------	---------------------	---------------------	-------	--

Forest School Wales encourages and inspires individuals of all ages and backgrounds to develop their confidence, self esteem and independence in special Welsh woodland settings, and at the same time nurtures a respect and responsibility for the surrounding environment.

R474	Springdale Farm	Gwent Wildlife Trust	Monmouth	<a href="http://www.wildlifetrust.org.uk/gwent">www.wildlifetrust.org.uk/gwent</a>
------	-----------------	----------------------	----------	--

The Gwent Wildlife Trust enables local people to make a difference to their environment through membership, volunteering and study. Its priorities are to deliver real human and environmental gains through promoting biodiversity and standing up for wildlife in the planning process; managing land in nature reserves, open space and agriculture; making wildlife relevant to all people.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R479	Jubilee Park and Nature Trail	East Williamston Community and Hall Association	Carmarthen West and South Pemb	

East Williamston Jubilee Park and Nature Trail links together the inhabitants, local authorities, voluntary and other organisations in a common effort to advance education and provide facilities in the interest of social welfare, recreation and leisure time with the object of improving the life of the inhabitants. By creating areas of natural habitat it is hoped to encourage the diversification of species (animal, flora and fauna) by sympathetic management.

R487	Gwelfor Goes Green	Gwelfor Community Concern	Ynys Môn	
------	--------------------	---------------------------	----------	--

The main purpose of Gwelfor Community Concern is to run the Gwelfor Youth House which is a community centre for the people of Morawelon, Holyhead. The group are working to create a new community space and create a garden environment that all members of the community can use.

R492	Parish Field	Craig and Penllyn Residents Association	Vale of Glamorgan	
------	--------------	---	-------------------	--

Parish Field is a rare fragment of species-rich grassland. In late September 2002, it was reverted to scrub. The community group recognised this and started to take action before it became irreversible. The field is now managed as a wildflower meadow with an annual cut in early autumn, leavings removed and composted on site.

R494	Eco Centre E3	Eco Centre Wales	Preseli Pembrokeshire	<a href="http://www.ecocentre.org.uk">www.ecocentre.org.uk</a>
------	---------------	------------------	-----------------------	--

West Wales ECO Centre seeks to reduce society's impact on the environment, in particular its contribution to global warming and unnecessary climate change. The ECO centre is dedicated to the promotion and education of the wider public.

R500	Crest Trash and Carry	Crest Cooperative Ltd	Clwyd West	<a href="http://www.crestcooperative.org.uk">www.crestcooperative.org.uk</a>
------	-----------------------	-----------------------	------------	--

Crest is a community cooperative working in the social sector of the economy. Its aim is to provide training and support to disabled, disadvantaged and socially excluded people in the community. Trash and Carry, based in Kinmel Bay, is a Scrap Store which collects unwanted waste from manufacturers across North Wales which is then accessed by community groups, schools, youth groups who have subscribed to the Scrap Store.

R501	Green Shoots	View (Glynneath) Ltd	Neath	<a href="http://www.glynneathtc.org.uk">www.glynneathtc.org.uk</a>
------	--------------	----------------------	-------	--

Green Shoots is the green activity and environmental conscience of The Glynneath Training Centre. They grow 'organic' vegetables for their healthy eating café on five allotment plots and maintain and repair garden tools; increase composting, recycling and reducing waste and energy consumption too. The Centre welcomes and encourages volunteers to take part in all its activities.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R504	Cefn Fforest & Fairview Ecopark Project	Association for Community and Environment (ACE)	Islwyn	

The project aims to increase the use of the site for both recreational and educational activities and improve the site's physical appearance which will positively impact on the site's biodiversity.

R505	St Christophers Eco Centre Project	St Christopher's School	Wrexham	<a href="http://www.milleniumeccentre.co.uk">www.milleniumeccentre.co.uk</a>
------	------------------------------------	-------------------------	---------	--

The project involves the development of half an acre of land into an area that can be enjoyed by the public and where the work of the Eco Centre can be furthered. Physical improvements include the erection of rabbit proof fencing, tree planting, establishing a tree nursery, creating a sensory garden and a vegetable patch that will supply the new visitor centre café.

R508	Sea Trust South and West Wales	Wildlife Trust West Wales	Preseli Pembrokeshire	<a href="http://www.seatrust.org.uk">www.seatrust.org.uk</a>
------	--------------------------------	---------------------------	-----------------------	--

This project looks at the study of porpoises, dolphins, and other sea life found around Strumble Head. This is linked in with existing and proposed programmes around the Celtic Fringe using and developing acoustic and video monitoring systems.

R510	Allotments For All	Colchester Avenue Allotments Association	Cardiff Central	
------	--------------------	--	-----------------	--

The group are increasing the occupancy of lettable allotment plots and improving the biodiversity of the entire site.

R512	The Urban Oasis Project: For People, For Wildlife	Montgomeryshire Wildlife Trust	Montgomeryshire	<a href="http://www.montwt.co.uk">www.montwt.co.uk</a>
------	---	--------------------------------	-----------------	--

This project aims to transform the nature reserve, Severn Farm Pond, in to an urban oasis by increasing the benefits to both the wildlife it supports and the community who live nearby.

R513	Llanelli and Mynydd Mawr Railway Wetland Project	Llanelli and Mynydd Mawr Railway Co Ltd	Llanelli	
------	--	---	----------	--

The project entails the preservation and improvement of a wetland habitat on part of the site and the creation of additional habitats such as hedgerows and grass meadows which will maximise biodiversity.

R515	Monmouthshire GreenWeb	Monmouthshire Green Web	Monmouth	<a href="http://www.monmouthshiregreenweb.co.uk">www.monmouthshiregreenweb.co.uk</a>

Monmouthshire GreenWeb is a network, or association of organisations, committed to the well being of the environment of Monmouthshire and encouraging greater communication about local environmental matters.

R517	St Vincent de Paul Furniture Store	St, Vincent de Paul Society	Vale of Clwyd
------	------------------------------------	-----------------------------	---------------

The furniture store project aims to help people who have accommodation but are unable to provide for themselves sufficient furniture, household goods or clothing. The project aims to provide work experience for long term unemployed people and to avoid social waste and landfill requirements through recycling serviceable used furniture.

R520	Parc Y Mileniwm	Deudraeth Cyf	Dwyfor Meirionnydd	<a href="http://www.deudraethcyf.co.uk">www.deudraethcyf.co.uk</a>
------	-----------------	---------------	--------------------	--

The site is currently in poor condition and an eyesore in an otherwise attractive town. The main aim of the project is to improve the ground for active community use and to make the community aware and responsible for the development of their community.

R525	Coed Hills	Friends of Coed Hills	Vale of Glamorgan	<a href="http://www.coedhills.co.uk">www.coedhills.co.uk</a>
------	------------	-----------------------	-------------------	--

Coed Hills is a 180 acre farm of woodland and pasture in the Vale of Glamorgan. It has for the past seven years been a centre for the arts, alternative technology, low impact building and environmental awareness. Through, art exhibitions in the woodland, renovation of farm buildings into a wood workshop, Coed Hills encourages the setting up of small businesses as they believe, wholeheartedly, in the regeneration of the rural economy.

R538	Llandanwg Dunes Protection	Llandanwg Dunes Protection Group	Dwyfor Meirionnydd
------	----------------------------	----------------------------------	--------------------

The Llandanwg Dunes Protection project addresses the root cause of erosion of the Llandanwg beach foreshore, in the vicinity of the breakwater by restoring the groynes system and modifying the profile of the breakwater using, locally available, stone dressing, creating a self- sustaining, healthy dunes system.

R541	Erlas Garden Project	Erlas Victorian Walled Garden	Wrexham	<a href="http://www.erlas.enuu.net">www.erlas.enuu.net</a>
------	----------------------	-------------------------------	---------	--

The Erlas Garden Project aims is to restore a kitchen garden to its former productivity, and by developing innovative projects, which are ecologically friendly, in the surrounding grounds of Erlas Hall. The group are providing meaningful daytime activity for up to twenty people who have learning disabilities and through this help to promote their inclusion into society.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R542	Mumbles Development Trust	Mumbles Development Trust	Gower	<a href="http://www.mumblesmatters.org.uk">www.mumblesmatters.org.uk</a>

The project is concerned with environmental regeneration, protection and enhancement within the village and surrounding area of Mumbles.

R543	Double Take	Double Take	Brecon and Radnorshire
------	-------------	-------------	------------------------

The group is establishing greater awareness of environmental issues and the potential uses of natural and recycled materials through public workshops, lectures, exhibitions, and information.

R544	Friends of Pedal Power	Friends of Pedal Power Project Ltd	Cardiff West
------	------------------------	------------------------------------	--------------

The group, first established in 2000, has an overall aim of working in partnership with other agencies to promote and facilitate the enjoyment of cycling to disabled people in Cardiff by providing a fully accessible and integrated bike service to all in order to improve health, promote a healthier environment, and to meet the Welsh Assembly Government Strategies for sustainability, environment and health.

R555	Dyffryn Clydach Volunteers	Dyffryn Clydach Volunteers	Neath	<a href="mailto:dyffryn-clydach@volunteers.fsbusiness.co.uk">dyffryn-clydach@volunteers.fsbusiness.co.uk</a>
------	----------------------------	----------------------------	-------	--

The Dyffryn Clydach Volunteers project involves the construction of footpaths that stretch for over half a mile through a river valley and woodland. The vision is to turn the valley into a public amenity for people to enjoy. The site is in a highly populated area and is an important green wedge between the communities of Dyffryn Clydach and Blaenhonddan.

R559	Rhyd Y Creuau Community Composting & Gardening	FSC Rhyd y Creuau	Aberconwy	<a href="http://www.field-studies-council.org">www.field-studies-council.org</a>
------	--	-------------------	-----------	--

As part of the wider Rhyd-y-Creuau community and sustainability project, this scheme is establishing a community composting service, open to the 254 householders in Bettws-y-Coed, collecting green waste at kerbside, composting it at the centre and returning it for use by participants.

R565	Usk Conservation and Environmental Group	Usk Conservation and Environmental Group	Monmouth
------	--	--	----------

The Usk Conservation and Environmental Project provide talks, walks and field trips. By adopting a holistic approach all sectors of the community are encouraged to become more involved in natural history conservation and environmental issues.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R566	Rounded Developments	Rounded Developments	Cardiff South and Penarth	www.rounded-developments.org.uk

Rounded Developments Enterprises is a not for profit organisation based in Cardiff that runs a Sustainable Building Centre. The purpose of the centre is to provide the residents and voluntary organisations in Wales with a central place where they can discover how to build more sustainably, where to access the materials from and who can actually install / build projects for them.

R568	Fishguard Community Composting & Recycling Project	Fishguard & Godwick Area Community Composting	Preseli Pembrokeshire
------	--	---	-----------------------

The group promote composting & recycling locally, and work to establish the area as a centre of good practice, by raising awareness and working with local schools and the wider community.

R569	Sand Palace Arts	Sand Palace Arts	Preseli Pembrokeshire
------	------------------	------------------	-----------------------

The Sand Palace Arts project promotes environmental art. They use recycled materials to underpin each project and involve community groups, youth clubs and schools in the making of the art.

R571	Llanmiloe Environmental Enhancement Scheme	Llanmiloe Community Association	Carmarthen West and South Pemb
------	--	---------------------------------	--------------------------------

The group is working to establish a variety of community resources which will be run sustainably and an increase in the health and wellbeing of the local community.

R573	Working Together	Raven House Trust	Newport East	www.newportchurches.com
------	------------------	-------------------	--------------	-------------------------

Raven House Trust helps people and families in need by providing them with recycled furniture, clothes, bedding, household goods and food.

R574	Furniture Reuse Canolfan Felin Fach	Canolfan Felin Fach Centre Ltd	Dwyfor Meirionnydd
------	-------------------------------------	--------------------------------	--------------------

The group collect household items for which local people have no further use, then restore these items before selling them on, at a reasonable price, to those living on benefits or of a low income household.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R575	Sustainable Gwynedd Gynaladwy	Sustainable Gwynedd Gynaladwy	Dwyfor Meirionnydd	

The purpose of the project is to raise awareness about Sustainability in Gwynedd and to strengthen the participation of voluntary and community groups in the process. The project also builds on SGG's commitment to developing skills, resources and people, thus improving the networks efficiency and reaching more people.

R576	Maesgeirchen & Tan Y Bryn Allotments Association	Maesgeirchen and Tan Y Bryn Allotment Scheme	Arfon	
------	---	---	-------	--

The association was formed to set up and manage an allotment site for residents of the Maesgerichen and Tan y Bryn estate on land not currently used and owned by Gwynedd Council. The intention is to provide allotments to individual members and a communal allotment area where community groups and residents not wanting a full allotment, can develop a knowledge and appreciation of food growing.

R578	Riverside Community Garden Allotment Project	Rcma Social Enterprise Ltd	Cardiff West	<a href="http://www.riversidemarket.org.uk">www.riversidemarket.org.uk</a>
------	---	----------------------------	--------------	--

The Riverside Community Garden works closely with the allotment committee to encourage greater community involvement in and uptake of allotments by increasing access to allotment land, to people from the areas of Riverside and Grangetown, who would not otherwise be able to access such space due to lack of knowledge, confidence and ability.

R581	Newtown Food Poverty Project	Cwm Harry Land Trust	Montgomeryshire	<a href="http://www.cwmharrylandtrust.org.uk">www.cwmharrylandtrust.org.uk</a>
------	------------------------------	----------------------	-----------------	--

The Food Poverty Scheme is a natural development from composting and food growing; showing how value can be added to green waste in ways that reach and improve the lives of those who would be unaware of, or unable to, access high quality locally grown food.

R582	Prosiect Amgycheddol Moelfre	Partneriaeth Moelfre Partnership	Ynys Môn	
------	------------------------------	-------------------------------------	----------	--

A small site in need of improvement has been identified by the community. Improvements include, improving disabled access to the site, clearing and planting part of the site, putting in seating and limestone planters and improving the sites surface area and these will be carried out by volunteers from within the community.

R584	Butterflies On Your Doorstep	Butterfly Conservation	Swansea West	<a href="http://www.butterfly-conservation.org">www.butterfly-conservation.org</a>
------	------------------------------	------------------------	--------------	--

This project meets one of Butterfly Conservation's key aims to "bring people closer to butterflies and moths, to learn about, value and enjoy them".

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R585	Montgomeryshire Forest Education Initiative	Montgomeryshire FEI Cluster Group	Montgomeryshire	

The Montgomeryshire FEI group increases peoples understanding of all aspects of trees and woodlands. The project delivers a programme of activities and events through formal and informal community and education sessions.

R586	St Johns Church Garden Improvement	Old Colwyn (East) Residents Association	Clwyd West	<a href="http://www.oldcolwyn.co.uk">www.oldcolwyn.co.uk</a>
------	------------------------------------	---	------------	--

The project improves the church grounds, to make a place of amenity, and encourages people to visit and enjoy the area by providing a pleasant garden for the community to enjoy.

R587	Riverside Park & Stoneleigh Close Environmental Improvement Scheme	Riverside Park & Stoneleigh Close Tenants & Residents Association	Alyn and Deeside	
------	--	---	------------------	--

This project involves the whole community regardless of age, ability, gender or ethnicity and the group are working towards creating new and diverse habitats within the community.

R588	Allt Llwyn Dyfrion Community Woodland Project	Nant Y Cwm Community Group Ltd	Preseli Pembrokeshire	
------	---	--------------------------------	-----------------------	--

The group are working to re-generate semi-ancient woodland and at the same time create a community woodland walk, promote education of woodland habitat and provide professional training in woodland skills.

R589	Gardd Hanesyddol Gymunedol	Canolfan Hanes Uwchgwyrfai	Dwyfor Meirionnydd	<a href="http://www.uwchgwyrfai.com">www.uwchgwyrfai.com</a>
------	----------------------------	----------------------------	--------------------	--

The project is restoring two gardens as historical community gardens, one a herb garden and the other a cottage garden. All the work - planning, preparing the land for planting, landscaping, creating planting borders and writing pamphlets and booklets - is done by volunteers.

R591	Sycas Circus	Sycas Circus	Ynys Môn	<a href="http://www.sycas-circus.co.uk">www.sycas-circus.co.uk</a>
------	--------------	--------------	----------	--

For nearly 14 years the group have toured to and organised festivals and events with a range of shows and workshops. They are committed to providing accessible circus/theatre and arts to all in the community and using these to further awareness of environmental issues.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R592	Old Colwyn Environment Federation	Tavernspite Community Projects	Clwyd West	

The project improves the local environment of Old Colwyn through practical environmental project work. They improve and maintain the biodiversity of these public areas and their scenic qualities utilising volunteers to do this work.

R595	Ffermdy Bryngelynnen	Cyfeillion Croesor	Dwyfor Meirionnydd	
------	----------------------	--------------------	--------------------	--

The project includes the creation of a community space to run a café and to provide training in sustainable traditional skills, to raise awareness of the local environment and its history and planting for wildlife.

R596	Nant Y Fedw Tenants & Residents Association	Nant Y Fedw Tenants & Residents Association	Cynon Valley	
------	---	---	--------------	--

Nant Y Fedw Tenants & Residents Association has many projects and initiatives that they are undertaking to enhance the local area, including creating wildlife habitats and litter picking.

R599	Welsh Youth Forum	Welsh Youth Forum on Sustainable Development	Dwyfor Meirionnydd	<a href="http://www.wfysd.org">www.wfysd.org</a>
------	-------------------	--	--------------------	--

The Welsh Youth Forum on Sustainable Development is an organisation run by young people for young people across Wales which aims to get their voices and opinions heard on issues they feel strongly about.

R601	Llanfaelog Community Garden	Llanfaelog Community Garden	Ynys Môn	<a href="http://www.llcg.co.uk">www.llcg.co.uk</a>
------	-----------------------------	-----------------------------	----------	--

The project's aim is to develop the grounds of the Llanfaelog Community Centre into a community garden. This is being done by members of the Llanfaelog Youth Club and members of the community.

R603	Green Champions	Btcv Cymru	Cardiff North	<a href="http://www.btcvcymru.org">www.btcvcymru.org</a>
------	-----------------	------------	---------------	--

The project provides a Wales wide support service to individuals and community groups involved in environmental projects.

The Magic of Life Butterfly house aims to improve the environmental education centre for Ceredigion, increasing their visitor numbers and raising people's understanding of the environment.

R645	Down to Earth Project	Down to Earth	Gower	www.downtoearthproject.org.uk
------	-----------------------	---------------	-------	-------------------------------

Through smallholding practices, Earthing encourages volunteers to get involved in growing food, working with animals, natural building, and traditional and rural crafts.

R647	Bryn Wylfa Disabled Access Project	Bryn Wylfa Syndicate	Ynys Môn	
------	------------------------------------	----------------------	----------	--

The project focuses on the development of a ballasted footpath from Penrhos Terrace to the coast with appropriate viewing platforms, with the inclusion of interpretation and provisions of aids for less able bodied persons, as there are currently no access points to the Anglesey coastal path for the disabled.

R650	Llanerchaeron Food and Farming Education Programme	The National Trust	Ceredigion	www.nationaltrust.org.uk
------	--	--------------------	------------	--------------------------

Llanerchaeron's productive walled and working organic farm gives an ideal opportunity to engage with individuals to enable them to understand the process and principles of responsible food production.

R651	Coed-y-felin Woodland	Friends of Coed-y-Felin	Cardiff North	www.lisvanecommunity.org.uk
------	-----------------------	-------------------------	---------------	-----------------------------

Friends of Coed-y-Felin manage the woodland in an environmentally friendly manner maintaining pathways, gates and bridges and creating new ones for better access around the wood. They also wish to construct, site and maintain wildlife habitats, plant trees and wildflowers throughout the wood and arrange guided walks.

R653	Marine Awareness North Wales WT	North Wales Wildlife Trust	Arfon	www.saveourseas.co.uk
------	---------------------------------	----------------------------	-------	-----------------------

The project aims to increase public awareness and understanding of the marine environment and its conservation through a range of media whilst sustaining and increasing community involvement. Their Centres for Marine Education and Awareness, on Garth Pier in Bangor, are a base for the project and provide the local and visiting community with interactive and lively interpretation centres.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R655	Talwrn Playing Fields	Talwrn Playing Field Committee	Ynys Môn	

The project aims to create a community woodland and sustainable play and recreational area. The scheme will involve landscaping work and the planting of a variety of trees and wildflowers native to the area as well as providing nesting and roosting opportunities for mammals, birds and insects.

R656	Warws Werdd	Antur Waunfawr	Arfon	<a href="http://www.anturwaunfawr.org">www.anturwaunfawr.org</a>
------	-------------	----------------	-------	--

The groups aim is to plan and establish a sensory / therapeutic garden that is environmentally friendly and will also be a relaxing area for the community. In addition to this, the garden will be a home for wildlife and the group will use as much recycled and local products as possible in its development. The garden will be a means of promoting recycling and reuse in a practical and creative way.

R657	Wern Ddu Geopark Development	British Institute for Geological Conservation (BIGC)	Caerphilly	
------	------------------------------	--	------------	--

Wern Ddu is on an old clay pit on the southern margin of the Coalfield. It is designated as a geological SSSI for its unparalleled exposure of the productive coal measures and coal seams. The Caerphilly Woodland Trust who currently owns the property will work in partnership with the SWCG to develop greater access and geological interpretation at the site.

R658	Mind Diggers Allotment Project	Cardiff Mind	Cardiff Central	
------	--------------------------------	--------------	-----------------	--

The project is developing the allotment site, in order to provide gardening opportunities for people with mental health difficulties. The site is situated in the local community and so helps to increase the self-esteem and self-confidence of the volunteers and encourages outdoor activity, exercise and healthy living.

R659	Millennium Reflective Garden	Brynawr Community Millennium Committee	Blaenau Gwent	
------	------------------------------	--	---------------	--

The group plan to relocate and restore an historic water fountain which is regarded as part of the town heritage. The group are introducing a reflective, environmental garden around the newly sited fountain with sensory areas and access for all.

R660	Parc Ynysdawley Community Woodland Walk	Ynysdawley Playing Field Association	Neath	
------	---	--------------------------------------	-------	--

The group are increasing the utilisation of an overgrown unused wooded area by creating a community woodland / nature walk, providing wheelchair friendly paths and bench seating and planting wild flowers and new trees and shrubs to encourage wildlife.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R661	Coppicewood College Woodland Skills Course	Coppicewood College	Preseli Pembrokeshire	

Based in broadleaf woodland in Cilgerran, Coppicewood College provides a range of educational opportunities in traditional land based skills and allied crafts.

R662	Antur Ystrad	Ystradgynlais Volunteer Centre	Brecon and Radnorshire	
------	--------------	--------------------------------	------------------------	--

TFSR Ystrad raises awareness of recycling, and promotes reuse through reduction of waste to landfill. As a branch of Tools for Self Reliance, the group collect sewing machines and accessories, and unwanted or broken tools, and refurbish them to make artisan kits to send to Tanzania, in partnership with TFSR Cymru.

R663	Cuckoo Woods Project	Green Links Community Interest Company	Carmarthen West and South Pemb	<a href="http://www.greenlinks.org.uk">www.greenlinks.org.uk</a>
------	----------------------	--	--------------------------------	--

The project is working on developing and improving access to Cuckoo Woods, establishing a programme of works to include tree planting, path creation, fencing, interpretation and the creation of an eco style outdoor shelter and wetland area. The workforce will include volunteers from the community and secondary aged pupils particularly those at risk of disaffection.

R664	Valeplus Sensory Garden	ValePlus	Vale of Glamorgan	<a href="http://www.valeplus.com">www.valeplus.com</a>
------	-------------------------	----------	-------------------	--

ValePlus has a derelict area of land attached to its centre which it hopes to develop into a sensory garden with wheelchair access. The aim of the project is to create a garden which can be used as a future learning resource and a place of leisure and social activity.

R667	Dyfi Valley Seed Savers	Dyfi Valley Seed Savers	Montgomeryshire	<a href="http://www.seedsavers.machynlleth.biz">www.seedsavers.machynlleth.biz</a>
------	-------------------------	-------------------------	-----------------	--

This project develops awareness of food miles and the importance of local produce, it has the following themes; vegetables, local food, orchard fruits and native trees.

R668	Inroads Go! Diversionary Activities Program	Inroads (Cardiff & The Vale Street Drugs Project)	Cardiff West	
------	---	---	--------------	--

Inroads Go! Builds upon the successful 'creation of organic vegetables' growing side by side with the 'creation of nature' areas at an allotment site in Cardiff. Clients with substance abuse issues report low self-esteem and sense of failure - the Inroads Go! Scheme provides tangible results for their efforts, volunteering and learning at the allotment site.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R669	Llys Nini Environmental Project	RSPCA Llys Nini	Gower	

Llys Nini comprises of 78 acres containing both grass and woodland. The project is managing all of the land for the benefit of wildlife, protecting and improving habitats and increasing public access.

R670	Against the Grain	Crest Cooperative Ltd	Aberconwy	
------	-------------------	-----------------------	-----------	--

'Against the Grain' is a timber reclamation enterprise set up by Crest Cooperative to contribute to the company's aims of 'social inclusion' and 'environmental sustainability'. They provide a cost effective, environmentally sound, wood waste collection service primarily to the local construction industry.

R671	Green Horizons	North Wales Wildlife Trust	Dwyfor Meirionnydd	<a href="http://www.wildlifetrust.org.uk/northwales">www.wildlifetrust.org.uk/northwales</a>
------	----------------	----------------------------	--------------------	--

The Green Horizons project aims to foster an interest in wildlife, the environment and sustainable living among communities in Wrexham using Marford Quarry Nature Reserve and other sites as focal areas for action.

R672	Apiculture in the Welsh Environment	Welsh Bee Keepers Association	All Wales	
------	-------------------------------------	-------------------------------	-----------	--

The WBKA is improving the presentation of bee-keeping in Wales, to attract potential beekeepers and to raise public awareness of the important position of the honey bee, which, by its pollination activities, plays an essential role in the maintenance of biodiversity in the countryside and agriculture.

R673	Renewal Area Project	Keep Wales Tidy	Aberavon	<a href="http://www.keepwalestidy.org">www.keepwalestidy.org</a>
------	----------------------	-----------------	----------	--

The main aim of the project is to involve local residents from the community in caring for their local environment and working closely with the Local Authority to reduce environmental issues such as littering and flytipping.

R674	Coed Bwllfa Woodland Project	Rhondda Community Business Initiatives	Rhondda	<a href="http://www.rcbi.co.uk">www.rcbi.co.uk</a>
------	------------------------------	--	---------	--

The Bwllfa Development Project is situated on a plateau above the village of Ton and Gelli Pentre. It consisted of two attractively wooded streams that once provided, before nearby industrial activity, a site for walking and picnicking by local people. The ambition of the group is to restore the site to its former leisure uses, increase its attractiveness to wildlife, and use the area as a learning resource for individuals and groups.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R676	Cymdeithas Edward Llwyd Environmental Project	Cymdeithas Edward Llwyd	All Wales	<a href="http://www.cymdeithasedwardllwyd.org.uk">www.cymdeithasedwardllwyd.org.uk</a>

This is a project initiated by Cymdeithas Edward Llwyd, the Welsh Naturalist Society, to collect information and increase understanding and awareness of environmental biodiversity, through the specific study of flora and fauna, practical conservation work and an investigation into cultural connections and the role of plants in Wales.

R677	Bryncoch - Pond Project	Bryncoch Environment Group	Neath
------	-------------------------	----------------------------	-------

The group is fortunate to have a large pond, a river and an area of woodland close to where they live. This whole area has been neglected for many years, but has the potential to become a significant haven for wildlife. The project will provide people with a wonderful opportunity to get involved in improving their local environment.

R678	Sussed Education and Outreach Programme	Sussed Wales	Bridgend
------	---	--------------	----------

Sussed Education and Outreach project provides a community education programme and volunteer coordination regarding environmentally friendly, local and fairly traded goods. The project provides talks and presentations to schools, businesses and community groups.

R683	Community Garden for Begelly and Kilgetty	Begelly and Kilgetty Community Association	Carmarthen West and South Pemb
------	---	--	--------------------------------

The project provides a free public amenity in the form of a community garden, which will enhance the area for both residents and visitors. The garden will become a focal meeting and relaxing area, and will offer residents the opportunity to plant a tree or shrub in memory of a 'loved one'.

R685	90@90: Projects for a healthy planet	National Federation of Women's Institutes	All Wales
------	--------------------------------------	---	-----------

The project aim is to train members to educate others about the actions they can take to reduce their ecological footprint.

R686	Welsh Ocean Wildlife Roadshow	Marine Conservation Society	All Wales	<a href="http://www.mcsuk.org">www.mcsuk.org</a>
------	-------------------------------	-----------------------------	-----------	--

The Welsh Ocean Wildlife Roadshow combines educational, awareness raising and community involvement activities to connect people in Wales with the rich and diverse biodiversity of Wales' seas and shores, and support community involvement in making environmental improvements to the Welsh coast. The roadshow will deliver a programme of local and regional presentations, workshops, events and resources to inform, enthuse and engage the public and stakeholders.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R687	The Amelia Trust Farm Woodland Project	Amelia Trust Farm	Vale of Glamorgan	<a href="http://www.ameliatrust.org.uk">www.ameliatrust.org.uk</a>

The established woodlands of the farm cover 35 acres and access will be given (through dedicated pathways) to allow people to enjoy the woodland areas. Along the pathways will be interpretive boards and educational resources so that there will be an educational element to people's visits.

R688	Irfon Valley Community Recycling	Llanwrtyd Wells Community Transport	Brecon and Radnorshire
------	----------------------------------	-------------------------------------	------------------------

The project is raising awareness of recycling within the community and utilises the spare capacity of the transport services to start a recycling scheme. They look at all areas of recycling, to remain flexible, and to respond to the needs of the market.

R689	Roots Project	Vision 21 (Cyfle Cymru)	Cardiff North	<a href="http://www.vision-twentyone.com">www.vision-twentyone.com</a>
------	---------------	-------------------------	---------------	--

'Roots' offers work experience and training for people with learning disabilities offering a route to accreditation and active employment. The project is sited in an allotment allowing for community involvement and social integration.

R695	Cemaes Woodland	Cwmni Cemaes Cyf	Ynys Môn	<a href="http://www.cemaes-bay.co.uk">www.cemaes-bay.co.uk</a>
------	-----------------	------------------	----------	--

The project aims to improve and enhance Cemaes Woodland, a community woodland established in 2004, located in the village of Cemaes. Volunteers enhance the woodlands biodiversity and appeal, to encourage greater use.

R696	The Green Valley Centre	Bryncynon Strategy: Green Valley Project	Cynon Valley
------	-------------------------	--	--------------

The Green Valley Project provides vocational training and lifelong learning opportunities to residents of the Cynon Valley through the generation of derelict horticultural land.

R697	St Cynbryds' Community Gardens	St. Cynbryds' Community Group	Clwyd West
------	--------------------------------	-------------------------------	------------

The project's main objective is to carry out environmental improvements to the churchyard, including a wildlife garden and raised beds, making it easier and safer for visitors to gain access to the graves and to make it pleasant for people walking through.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R698	Board Walking; Ynys Hir Access Project	RSPB Cymru	Ceredigion	www.rspb.org.uk

This project will establish new and improved access to all areas of the RSPB Cymru Ynys Hir nature reserve, completing a circular trail walk on the site and erecting new hides. By creating full access to all of the reserve, the group wish to introduce birds and wildlife to all who wish to discover them.

R699	Ten Green Bottles Powys CIC	Ten Green Bottles Powys CIC	Brecon and Radnorshire	www.greenglassmountain.com
------	-----------------------------	-----------------------------	------------------------	----------------------------

Ten Green Bottle Powys, is based in the heart of the village of New Radnor, and is a training, research and development project formed after consulting and working with local and national organisations researching ways of recycling glass.

R700	PAM? Moelyci Education Project	Moelyci Environmental Centre	Arfon	www.moelyci.org
------	--------------------------------	------------------------------	-------	-----------------

This project is developing the resources required to increase the number and type of visits to the centre. It provides opportunities for the community and volunteers to take part in delivering and receiving environmental education experiences. The group are creating ponds, a round house, installing compost toilets, wildlife havens, improving access, site interpretation and increasing their capacity to expand the events and training courses they run for adults and families as well as developing formal and informal educational experiences for schools and other groups.

R701	Snowdonia Wildlife Gardening Project	North Wales Wildlife Trust	Arfon	
------	--------------------------------------	----------------------------	-------	--

The Snowdonia Wildlife Gardening Project has been set up to enhance the Biodiversity value of gardens in the Snowdonia National Park, Gwynedd and Conwy.

R703	Household Energy Service	Light Foot Enterprises Community Interest Company	Brecon and Radnorshire	www.h-e-s.org
------	--------------------------	--	------------------------	---------------

Bringing the volunteer based Household Energy Service (HES) to Communities in Wales, HES is a way of delivering high quality professional energy advice to all parts of a community. It is delivered by trained and coordinated volunteers and supported by their own professional quality control. The end results are energy and financial saving, the suppression of 'fuel poverty', the minimisation of carbon emissions and the creation of an informed and active community.

R704	Cadle Conversation	Swansea Community Farm	Swansea West	www.swanseacommunityfarm.org.uk
------	--------------------	------------------------	--------------	---------------------------------

Cadle conservation is a practical project that recruits, supports and trains local volunteers to manage Cadle Heath Local Nature reserve.

R706	Christchurch Gardens	Christchurch Primary School PTA	Swansea West	<a href="http://www.christchurch.ik.org">www.christchurch.ik.org</a>

The group are working to improve the church garden for the benefit of wildlife and the local community, and improve disabled access to the area.

R707	Wastesavers Education Project	Newport Wastesavers Charitable Trust Ltd	Newport East	<a href="http://www.wastesavers.co.uk">www.wastesavers.co.uk</a>
------	-------------------------------	--	--------------	--

The project aims to educate as many people as possible on the benefits of recycling in order to improve the local environment and sustain people's quality of life.

R708	Field Days Organic	Innovate Trust	Vale of Glamorgan
------	--------------------	----------------	-------------------

Field Days Organic seek to develop the Innovate Trust Field Days project at the Amelia Trust Farm, to enable the group to offer further environmental and horticultural training opportunities for people with learning disabilities.

R709	Powis Castle Green Group	National Trust Wales	Montgomeryshire
------	--------------------------	----------------------	-----------------

The group would like to encourage volunteers, staff and visitors to make changes to their lifestyle by demonstrating the groups initiatives to improve their carbon footprint.

R710	TAP	Tintern Angiddy Project	Monmouth
------	-----	-------------------------	----------

The project aims to increase renewable energy resources, and raise awareness of environmental issues and climate change.

R711	The Welsh Bat Project	The Bat Conservation Trust	All Wales	<a href="http://www.bats.org.uk">www.bats.org.uk</a>
------	-----------------------	----------------------------	-----------	--

The Welsh Bat Project aims to develop a sustainable network of volunteers to contribute towards meeting Biodiversity Action Plan targets for bats in Wales.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R712	Wales Community Woodland Forum	Coed Lleol	All Wales	

This project focuses on developing a strong and cohesive network of local & regional groups aiming to involve local communities in woodland activities across Wales.

R714	Greener School Grounds Project	St Mary's Catholic Primary School PTA	Monmouth	
------	--------------------------------	---------------------------------------	----------	--

St Mary's Catholic Primary School sits in a one hectare site within the centre of Chepstow. The focus of the project is to create a diverse range of ecological habitats, opportunities for outdoor learning and to promote environmental awareness within the local community.

R716	BlueSkys	Pembrokeshire Frame	Preseli Pembrokeshire	<a href="http://www.pembrokeshire-frame.org.uk/blueskys.html">www.pembrokeshire-frame.org.uk/blueskys.html</a>
------	----------	---------------------	-----------------------	--

Frame Blueskys is a horticultural project producing boxes of naturally grown vegetables using organic principles where possible.

R717	River Aman Cleanup Project	Aman Valley Conservation Association	Cynon Valley	<a href="http://www.amanvca.org.uk">www.amanvca.org.uk</a>
------	----------------------------	--------------------------------------	--------------	--

The primary aim of the project is to improve the river corridor environment (banks and stream) by removing rubbish, and then educating locals about keeping the area clean, and managing the riparian zone for conservation.

R718	Rural Time Centre	Creation Development Trust	Ogmore	
------	-------------------	----------------------------	--------	--

The project aims to devise and implement an exemplar model of community-managed countryside on an area of the Upper Garw Valley.

R719	NIMBY Nature in my back yard	Gower Bird Hospital	Gower	
------	------------------------------	---------------------	-------	--

The project aims to increase people's knowledge and understanding of native wildlife enabling them to be proactive in conservation, engaging with as many different groups as possible, including schools and the wider community.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R720	Adam St Allotments- Regeneration Initiative	Adam St Community Allotments Association	Blaenau Gwent	

The project is focussing on the regeneration of the allotment site to enable food production by volunteers and community groups of all abilities, as well as creating biodiversity areas to support local wildlife.

R722	GSP Conservation & Education Project	GSP Community Regeneration Project	Swansea East	
------	---	---------------------------------------	--------------	--

The project is working to regenerate a neglected area of wetland and to maintain community involvement through environmental and educational activities.

R723	Pembroke Can Make A Difference!	Pembroke 21c Community Association Ltd	Carmarthen West and South Pemb	
------	------------------------------------	---	-----------------------------------	--

Pembroke Can Make a Difference! is a project designed by Pembroke 21C to encourage the community to make small behavioural changes to reduce their impact on the environment.

R724	Caerdroia Environmental Learning Project	Golygfa Gwydyr	Aberconwy	
------	---	----------------	-----------	--

Forestry Commission Wales have granted Golygfa Gwydyr 8 hectares of land in the heart of the Gwydir Forest. A Cyd Coed grant helped establish a community theatre in the form of a labyrinth called the Caerdroia which has been running since 2005. Golygfa Gwydyr is now developing this site as an educational resource as well as community theatre.

R725	Tidy Towns	Keep Wales Tidy	All Wales	<a href="http://www.keepwalestidy.org">www.keepwalestidy.org</a>
------	------------	-----------------	-----------	--

Tidy Towns is a Wales Wide project that empowers the people of Wales to take responsibility for their local environment by adopting areas and undertaking practical improvement projects in their local area.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R726	The Cutting	WAFTRA -Westside and Forgeside TRA	Blaenau Gwent	

The Cutting is a small section of old railway which has become overgrown with invasive species including Himalayan Balsam and bramble as well as litter. We aim to keep the area clear and free of rubbish whilst controlling the invasive species.

We aim to plant the area with appropriate indigenous plants and shrubs creating wildlife habitats whilst making the area more aesthetically pleasing.

We also aim to encourage volunteers from all age groups especially the youth who will hopefully feel proud of the resource that they have on their doorstep whilst creating a sense of ownership

R729	Blaen Bran Community Woodland Project	Blaen Bran Community Woodland	Torfaen	<a href="http://www.blaenbran.org.uk">www.blaenbran.org.uk</a>
------	---------------------------------------	-------------------------------	---------	--

The aim of this project is to create a community woodland that is attractive and welcoming to visitors on foot, particularly those living locally and to maintain and where possible improve the biodiversity of the woodland for future generations, actively engaging with young people to do this.

R730	Community Clean Up	CoStar	Torfaen	
------	--------------------	--------	---------	--

The community clean up project will be a way of bringing volunteers of all ages together to help clean up neglected areas such as parks, school grounds, open green spaces, subways and woodlands. A large number of these areas have been neglected over recent years and been used as dumping grounds for litter and bulk waste, resulting in deterioration of the woodland and wildlife.

The project will coordinate groups of volunteers in specifically run down areas to develop clean up projects. Each group will be responsible for different areas of concern.

R731	Cellan Village Improvement Society Community Garden Fund	Cellan Village Improvement Society	Ceredigion	
------	--	------------------------------------	------------	--

The village hall is set in about an acre and a quarter of land which is mostly laid to grass. We would like to create an area for the community which has a variety of uses and benefits. These include a community vegetable growing area, a herb garden, composting bins, a shed for tool storage, a small orchard, seating and benches for social, leisure and training and access paths for all abilities. The project is being managed and developed by volunteers from Cellan village.

R732	Mount Woodlands	Mount Community Association	Preseli Pembrokeshire	
------	-----------------	-----------------------------	-----------------------	--

We were very lucky to be able to purchase 15 acres of mature broadleaf woodland and lease another 15 acres close to the estuary and within easy walking distance of the estate. Before the woodland came under our care it was a neglected area mainly used by young people to hang out. A management plan has been worked out with the help of the FC. The woodland has undergone some improvement works but there is still restoration access and maintenance work to be done. By undertaking this we will ensure the woodland is a better place for people and wildlife.

MCA want to utilise the woodland to hold educational workshops and activities for the community and in doing this the individuals will strengthen their skills and learn to appreciate the environment for recreation and leisure. Through this community inclusion we hope to give a sense of pride and ownership, a feeling of confidence and wellbeing.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R734	Climate Change Champions	Btcv Cymru	All Wales	www.btcvcymru.org

The project will create a network of trained Climate Change Champions to raise awareness of sustainable development and climate change among community groups, helping them take simple actions in 5 key areas.

Key volunteers will be trained as champions, and linked with local groups through existing support networks of BTCV and partners (e.g. BTCV community network). The volunteers will use the Every Action Counts toolkit developed by DEFRA and tested by BTCV and partners in England to help community group members:

Increase awareness of issues relating to climate change, energy consumption and sustainability.

Identify what they already do and select areas which are relevant for action.

Devise a suitable action plan.

Provide necessary support and advice to make the changes.

Identify key organisations to provide more detailed ongoing support where needed.

Key to success will also be training other environmental voluntary organisations in these techniques

R735	Making The Connections	The Environmental Network for Pembrokeshire	Carmarthen West and South Pemb	www.tenp.org.uk
------	------------------------	---	--------------------------------	-----------------

TENP is in the business of making the connections. The project aims to build capacity amongst voluntary sector organisations in Pembrokeshire, exchange good practice and to develop their ability to contribute to policy making.

TENP aims to do this through joint training opportunities, awareness raising activities, seminars, and the disseminating of information of relevance to groups. TENP will develop sub groups around specific issues as appropriate. In this way TENP will provide groups with mutual support and help and prevent duplication.

TENP also intends to raise awareness in the business sector of environmental issues, what the voluntary sector is achieving and how partnerships could be developed in order to meet local environmental challenges.

TENP would like to develop an agreed protocol with the statutory sector to enable organisations to effectively participate in the consultation process.

TENP intends to increase its membership year on year.

R737	Ponthafren's Eco-friendly Garden Project	Ponthafren Association	Montgomeryshire	www.ponthafren.org.uk
------	--	------------------------	-----------------	-----------------------

Ponthafren Association has a riverside building and gardens in Newtown. Our project enables volunteers to work in the gardens to grow vegetable, fruit and flowers in a sustainable manner. The gardens are on three levels, the top level in an organic vegetable garden, which provides produce for practical cooking course and the Sunday lunches provided at the centre; they sell surplus produce within the centre. The middle level is a sensory garden, providing a place to sit or stroll and enjoy the fresh air, the view, and experience the wildlife which is encouraged into the garden. The lowest level stretches down to the river Severn, and has greater potential as a wildlife haven. They intend to further develop their volunteer skills and expand their planting programme to encourage more wildlife into the garden and also increase their organic food production.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
--------	----------	-----------	----------------------	-----

R738	Paramor Orchard	Marcher Apple Network	Brecon and Radnorshire	www.marcherapple.net
------	-----------------	-----------------------	------------------------	----------------------

The group want to create a traditional orchard containing tall standard apple trees of local and rare varieties, many of which they are saving from extinction. Alongside this they will establish a nursery area for propagating and growing unknown varieties etc. and also conserve and increase the biodiversity in an existing damp copse or wildlife area. They will carry out planting, stock proofing, hedging, grass cutting, pruning and general maintenance, and possibly some drainage work, in the orchard area. In the wildlife area they will survey and clear the site, devise a management plan, erect bat and bird boxes and possibly some stock proofing.

The purpose of the orchard will be explained in an information notice board and in due course they will provide facilities for visitors and volunteers such as picnic tables, shelter, tool shed and toilet.

This is a long term project and during its creation they will be able to reinforce the environmental and landscape importance of orchards as well as their importance to heritage and healthy lifestyles.

R740	Bee Demonstration Tent	Swansea District Bee Keepers' Society	Gower
------	------------------------	---------------------------------------	-------

The project's aim is to encourage people to take up beekeeping as a hobby and to raise awareness of environmental and wildlife issues by exploring the important role of bees and other beneficial insects play a part in our natural environment.

R741	Boduan Sanctuary Wood	The Eternal Forest Trust Limited	Arfon
------	-----------------------	----------------------------------	-------

The group intend to protect, regenerate and create accessible woodland for all, including people who are infirm or disabled. The project will plan for the long term - protecting the wood indefinitely by providing burials and dedications, and ensuring through a clause in the title to the land that it can never be re-sold.

R742	The Pumlumon Project	Wildlife Trusts Wales	Montgomeryshire
------	----------------------	-----------------------	-----------------

The Pumlumon project is a landscape scale project which will, through innovative partnership work, achieve a restoration of a large upland landscape. The project will represent one of the largest and most diverse habitat restoration projects in Europe and has a long term vision for the countryside.

R743	"REVIVE" Reuse, Rethink, Recycle	View (Glynneath) Ltd	Neath
------	----------------------------------	----------------------	-------

The project aims to embed the reduce reuse recycle message within the local community via a charity shop which collects donated items that can be reused. This results in diversion from land fill, provides volunteers with extra skills and in turn helps to support the sustainability of the group's facility as a whole, including the Glynneath Training Centre.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R744	Riverfly Partnership Wales	Riverfly Partnership	All Wales	

This project will see the expansion of volunteer environment monitoring with the Anglers Monitoring Initiative (AMI) in Wales through training and education. The AMI trains volunteer groups to monitor the biological water quality of their local rivers to enable an informed dialogue between these trained citizen scientists and the Environment Agency (EA) to help ensure the good ecological status of rivers.

R746	Growing For Green	Coed Y Garn Primary School Friends Association	Blaenau Gwent	
------	-------------------	--	---------------	--

The aim of the project is to develop the grounds which will enable volunteers, children and the local community to gain first hand experience of growing a range of vegetables in different circumstances and will have a strong focus on being ecologically sound and sustainable.

R747	Beaufort Hill Ponds And Woodlands Preservation Society	Beaufort Hill Ponds And Woodlands Preservation Society	Blaenau Gwent	
------	--	--	---------------	--

The project's aim is to provide a community resource for educational and recreational purposes. Through active volunteering and membership it aims to recreate, manage and improve habitats and raise awareness of the environment through information panels, newsletters and a website.

R748	Ponds and People	Brecknock Wildlife trust	Brecon and Radnorshire	
------	------------------	--------------------------	------------------------	--

The project aims to conserve ponds and pond ecology and to raise awareness within the community. A network of volunteers is supported to carry out practical pond management tasks such as monitoring and species identification.

R749	Electric by Nature	Triban	Pontypridd	
------	--------------------	--------	------------	--

TRIBAN aims to increase public awareness and knowledge of renewable energy, peak oil and Climate Change through interactive displays at local events.

R750	Reclaimed Crafts	Phoenix Community Furniture Scheme	Montgomeryshire	
------	------------------	------------------------------------	-----------------	--

The project works to divert unwanted wood from the waste stream by educating and training to improve skills and opportunities and thereby instilling understanding of the value of reuse/recycle.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R751	Our Heathland Heritage	The National Trust	Preseli Pembrokeshire	

The project aims to engage and enthuse local communities in the local biodiversity and historical landscapes around them and to raise the profile of the work of the Heathland Partnerships, who have improved heathland/common land over the last 10 years resulting in richer biodiversity within these important habitats.

R752	Local Trees for Local Woods	Coeden Fach	Gower	<a href="http://www.coedenfach.org.uk">www.coedenfach.org.uk</a>
------	-----------------------------	-------------	-------	--

The aim of this project is to enable local people to be involved in growing and creating local woodland habitat. The group run training courses and offer opportunities for volunteering, enabling people to be involved in the whole process from seed gathering to the maintenance of young trees.

R753	Save the Planet	Pembrokeshire South East Energy Group	Carmarthen West and South Pemb	
------	-----------------	---------------------------------------	--------------------------------	--

The project aims to promote all forms of energy conservation and sustainable, renewable energy and to advance the education of the public in this. This is achieved by holding public meetings, addressing groups, using displays at events and taking part in government consultations on matters relating to climate change.

R754	Llandre Environment Project	Treftadaeth Llandre Heritage	Ceredigion	
------	-----------------------------	------------------------------	------------	--

The aim of the project is to enhance the biodiversity of the graveyard and woodland at Llandre and to develop a culture trail as a community asset, in association with volunteers rehabilitating from substance dependency.

R755	Reseiclo Community Wood Recycling	Reseiclo Community Wood Recycling	Newport West	
------	-----------------------------------	-----------------------------------	--------------	--

The project aims to prevent as much of the wood waste that is currently produced in the Newport/Cardiff area from ending up in a landfill site by collecting directly from businesses and providing low-cost timber for sale.

R756	Neptune's Army of Rubbish Cleaners	Narc	Carmarthen West and South Pemb	
------	------------------------------------	------	--------------------------------	--

The group is working to reduce the amount of litter in the underwater environment. By removing rubbish from the sea bed it makes the underwater environment a cleaner and safer place for wildlife and other water users.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R757	Prospects for Pine Martens	The Vincent Wildlife Trust	Carmarthen East and Dinefwr	

The project aims to progress conservation action on the pine marten in Wales through a network of volunteers, community contact and pine marten specialists.

R758	Women Connect First Allotment Project	Women Connect First	Cardiff South and Penarth	
------	---------------------------------------	---------------------	---------------------------	--

As part of the Empower Women project undertaken by Women Connect First, an allotment has been developed to provide a sustainable resource for environmental education and relaxation for BME women in the community.

R759	Spider Crab Crew	National Trust Wales	Carmarthen West and South Pemb	
------	------------------	----------------------	--------------------------------	--

The project's aim is to raise children's awareness of marine litter, pollution and the impact humans are having on the marine environment first hand through snorkelling around the south Pembrokeshire Coast.

R760	Moelyci Horticultural Project	Moelyci Environmental Centre	Arfon	
------	-------------------------------	------------------------------	-------	--

The project aims to develop the Market Garden Project by combining the project with developments within Moelyci's Community Allotments and Soft Fruit Fields to form the Horticultural Project.

R761	FareShare/Tamaid Teg, North Wales	Crest Cooperative Ltd	Aberconwy	
------	-----------------------------------	-----------------------	-----------	--

The project aims to relieve food poverty by providing quality, surplus and in-date food from the food & drinks industry, otherwise destined for landfill. The food is distributed to organisations that work with disadvantaged communities and people in food poverty.

R762	Carmel: The Heart of the Landscape	The Grasslands Trust	Carmarthen East and Dinefwr	
------	------------------------------------	----------------------	-----------------------------	--

The aims of the project are to restore and protect grassland and associated habitats at Carmel Reserves Complex and to promote the site as a valuable amenity resource to the local community and beyond.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R763	Water Power Education and Training Scheme	The Green Valleys (wales) Community Interest Company	Brecon and Radnorshire	

In this project the group is working with people in south and mid Wales to raise awareness about energy use, production and reduction, climate change and sustainable lifestyles. They are also working to enable local communities to work together to bring sustainable energy generation to their communities mainly through micro hydro schemes.

R764	Penmaenmawr Environmental Education	Penmaenmawr Organic Community Allotments	Aberconwy	
------	-------------------------------------	--	-----------	--

The project focuses on improving the existing allotment site to enable it to be used by the local community, ultimately creating a base for environmental education and healthy living activities.

R765	REAP	Age Concern Sir Gar	Llanelli	
------	------	---------------------	----------	--

This project provides older people with advice on recycling and energy use leading to a positive effect on the reduction of landfill and greenhouse gasses, but without impacting on their comfort.

R766	Gibbonsdown and Court Community Allotment Project	Communities First People's Allotment Group	Vale of Glamorgan	
------	---	--	-------------------	--

The group are working to develop a thriving community allotment space for local residents to learn new skills such as growing their own food and learning how to eat more healthily, as well as providing an opportunity for people to become more physically active.

R767	Flat Holm Island	Flat Holm Society	Cardiff South and Penarth	
------	------------------	-------------------	---------------------------	--

The Flat Holm Society aims to preserve the conservation value of the island through wildlife monitoring and grassland management as well as developing the Island as a public resource for education.

R768	Towards a Sustainable South Gwynedd	Cwmni Seren Ffestiniog Cyf	Dwyfor Meirionnydd	
------	-------------------------------------	----------------------------	--------------------	--

The community project Dodrefn Seren was established to reduce waste by recycling and reusing a variety of items. It also works to raise awareness among residents, businesses and organisations in South Gwynedd of the need to avoid waste and re-use and recycle more materials and goods.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R770	School Farmers' Markets	Soil Association	All Wales	

The aim of the project is to revitalise local food communities based around the hubs of local primary schools, and, in doing so, generate social, educational and economic benefits to the area.

R771	Newtown Sustainable Transport Project	Newtown 20:20	Montgomeryshire	
------	---------------------------------------	---------------	-----------------	--

The main aim of the project is to reduce the carbon emissions that arise from transport in Newtown by raising awareness of the volume of carbon emissions that arises from car use and the damage that this is doing to the environment and presenting attractive alternatives to existing car users.

R772	Long Wood Education & Conservation Project	Coedwig Gymunedol Lond Wood Community Woodland	Ceredigion	
------	--	--	------------	--

The Long Wood Education & Conservation Project works to conserve and enhance the 300 acre mixed woodland through appropriate management, leading to an increase in biodiversity and an increase in recreational use by the community. The group also encourage local volunteer involvement and run an annual program of educational workshops and courses.

R773	Belvedere Gardens	Drop In Centre Development Trust	Vale of Glamorgan	
------	-------------------	----------------------------------	-------------------	--

The group are working to create a sensory garden which will provide local people with volunteering opportunities to learn new skills and meet new people as well as creating a small haven for local wildlife.

R774	Llangeler Community Access Group	Llangeler Community Access Group	Carmarthen East and Dinefwr	
------	----------------------------------	----------------------------------	-----------------------------	--

The group aim to provide training on Chainsaw, hedge laying and rural crafts. The group have already cleared pathways and created styles and gates where they have perished.

R775	Tir Coed Volunteer Programme	Tir Coed	Ceredigion	
------	------------------------------	----------	------------	--

The main aim of the project is to encourage young people to play an active role in conserving and improving the natural environment for the benefit of the local community. Tir Coed organises various volunteer training days and also works to raise awareness of local people of woodland biodiversity.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R776	Plotting to Improve	Sustaining Life	Torfaen	

The project is a therapeutic resource for people on the margins of society. The group hold regular workdays at an allotment on a local council estate where participants have the chance to grow, and eventually eat, their own vegetables and fruit. Participants are taught to cultivate the plots in keeping with organic principles, learning about such subjects as composting and wildlife gardening.

R777	Cornel Derwen	Co-options Ltd	Vale of Clwyd
------	---------------	----------------	---------------

Cornel Derwen's aim of the project is to create a sustainable enterprise that will offer a range of diverse opportunities for people working on the site. This will include commercial crop production and the development of environmental projects that will also serve to enhance the aesthetics and overall usability of the site.

R778	Common Sense	Gower Commoners Assoc.	Gower
------	--------------	------------------------	-------

Common Sense works with the local community to provide a sustainable solution to the management of commons on Gower for the benefit of wildlife, the local economy, climate landscape and local heritage.

R779	Sustrans Cymru Volunteer Programme	Sustrans Cymru	All Wales
------	------------------------------------	----------------	-----------

Sustrans aim to give people the opportunity to care for important habitats that exist along the cycle networks in Wales by increasing the range of activities volunteers can undertake, with a particular focus on rangers and Wildlife Champions, who will be offered support and training to survey wildlife and to engage with other cycle route users.

R780	The Learning Woodland	Rockwool Woodland For Learning Centre	Ogmore
------	-----------------------	---------------------------------------	--------

The Learning Woodland Project aims to develop educational programs and materials to inform people of the biodiversity at the site, offer better and more open access to enable more visitors to utilise the site and provide a training programme for volunteers to enable them to carry out a wider range of tasks, leading to better management and use of the site.

R781	Conserving Biodiversity at Middleton Estate	National Botanic Garden Of Wales	Carmarthen East and Dinefwr
------	---	----------------------------------	-----------------------------

Conserving Biodiversity at the Middleton Estate project aims to improve the biodiversity value of the site with the help of local communities. This will enable the site to be an outstanding example of nature conservation; it will allow general visitors, volunteers and students to appreciate the qualities of a sustainable countryside and inform other landowners how to manage their own land more sympathetically for biodiversity.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R783	St Mellons Environmental Project	Cath Cobb Environmental Group	Cardiff South and Penarth	

The project's focus is to maintain and enhance three public spaces around St Mellons, resulting in an increase in biodiversity and improved access for the public. The group also offer talks and guided walks, educating local residents about the natural environment.

R784	Hopping Mad - conserving our native herpetofauna	South And West Wales Amphibian And Reptile Group	Neath	
------	--	--	-------	--

The group work to conserve the native herpetofauna (reptiles) and their habitats in Wales and reach as wide an audience as possible, providing training and information to volunteers, community groups, interested organisations, educational institutes and the general public.

R785	Community Garden Project	Green Links Community Interest Company	Carmarthen West and South Pemb	
------	--------------------------	--	--------------------------------	--

Green Links, working in partnership with Pembroke School is working to develop a Community Garden on the school site. Plots are allocated to groups from the local community who wish to create gardens for wildlife, education, relaxation, food, exercise, and wellbeing.

R786	Community Action for Wildlife	Rhayader By Nature	Brecon and Radnorshire	
------	-------------------------------	--------------------	------------------------	--

The Community Action for Wildlife project aims to develop a community resource of wildlife knowledge, advice and training that records, protects and enhances Rhayader and district's biodiversity and natural heritage.

R787	Parc Natur Penglais Conservation Project	Parc Natur Penglais Support Group	Ceredigion	
------	--	-----------------------------------	------------	--

Parc Natur Penglais Support Group is working to transform a neglected and declining, over mature woodland and a long-abandoned quarry into dynamic, self regenerating eco systems, that are maintained as a local resource, for conservation, educational and relaxation purposes.

R788	Creative Growth	National Botanic Garden Of Wales	Carmarthen East and Dinefwr	
------	-----------------	----------------------------------	-----------------------------	--

The project aims to bring together volunteers of all ages, abilities and backgrounds from all corners of Wales, to collaborate in producing a series of large scale artworks (facilitated by an experienced community artist), which promote the research and education work of the National Botanic Gardens of Wales and raise awareness and understanding of biodiversity and environmental and conservation issues.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R789	Better Woodlands	Girlguiding Caernarfonshire	Arfon	

The group are working to clear the seven acre woodland of laurel and to improve the path network to make it accessible to all, including wheelchair users, and to incorporate activities such as nature trails, maze, assault course, ropes etc. to encourage exercise.

R790	Garth Hillside Organic Garden Education & Outreach Project	Garth Hillside Organic Garden	Wrexham	
------	--	-------------------------------	---------	--

The project aims to engage with local volunteers utilising the principles of permaculture at an established and well used site. It actively encourages the biodiversity at the project site in order to develop the knowledge of the team, provide an important, informal environmental education resource, both on-site and off and to create a space where local people can come to learn about a variety of subjects from organic growing to wildlife and conservation.

R791	Taffs Well Community Garden Project	Taffs Well And Nantgarw Community Allotments Association	Pontypridd	
------	-------------------------------------	--	------------	--

Taffs Well Community Garden Project aims to provide more opportunities for local people to grow their own food and to foster a sense of community spirit. Whilst additional allotments will be made available, the predominant focus of the project is to develop a communal growing area and educate the means to do it.

R792	Canton Carbon Cutters	Cardiff Home Energy Volunteers	Cardiff West	
------	-----------------------	--------------------------------	--------------	--

The Canton Home Energy Volunteer project (CHEV) aims to initiate a collective community response to the dangers of climate change. The group hopes to raise awareness of climate change through environmental education, by providing information, advice, guidance and resources on matters such as energy efficiency to enable the community of Canton to make significant carbon reductions. The CHEV community approach project is designed to help householders to reduce domestic heating bills as well as carbon emissions.

R793	Growing Together in Wales	Federation Of City Farms & Community Gardens	All Wales	
------	---------------------------	--	-----------	--

The Growing Together in Wales project promotes, develops and supports community farms and gardens enabling them to create greener and more sustainable communities, focusing on three main areas of work Community Enterprise, Community inclusion and Turning grey to green.

R794	Circulate	Garnsychan Partnership	Torfaen	
------	-----------	------------------------	---------	--

The Circulate Furniture Recycling project which is Torfaen's only bulky household reuse facility, helps to save over 120 tonnes of furniture, white goods and household items reaching landfill sites each year. Circulate either sells or directly donates furniture at low cost to, on average, 3000 clients per year therefore providing a useful service for those on low incomes.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R796	Canton Community Gardens	Canton Community Gardens	Cardiff West	

Canton Community Gardens aims to develop a community/kitchen garden in partnership with Chapter Arts Centre. The garden project will raise awareness of locally grown food via awareness days, as well as providing local volunteers with the opportunity to undertake practical gardening.

R797	Eco Worriers	Cynnal Cymru - Sustain Wales	All Wales
------	--------------	------------------------------	-----------

The project aim is to engage and inform Welsh audiences who are not yet active in environmental projects but have the potential to become active via a series of ten minute films made for the internet, social network sites and DVD. They are a deliberate attempt to explain and popularise sustainable development activity by using humour and well-known actors.

R798	St Davids Eco-City Project	St Davids Eco-city Group	Preseli Pembrokeshire
------	----------------------------	--------------------------	-----------------------

St Davids Eco-City Projects aim is to find ways to decrease the carbon footprint of St Davids. The group wishes to support the inhabitants of St Davids to make the behavioural changes necessary to live a more sustainable lifestyle, as well as engaging with 500,000 visitors a year who visit the city.

R799	Greener Living Project	Transition Bro Gwaun	Preseli Pembrokeshire
------	------------------------	----------------------	-----------------------

The Greener Living project aims to engage a wide section of the community in the transition to a lower carbon economy and a more sustainable lifestyle. Education is a key element of this process, plus an approach which is positive, empowering and fun.

R800	Skanda Vale Conservation Project	Community Of The Many Names Of God	Carmarthen West and South Pemb
------	----------------------------------	------------------------------------	--------------------------------

The Community of the Many Names of God is a monastic community, who with this project aim to restore two areas of purple moor grassland which have been overgrown by scrub in order to increase biodiversity and in particular protect the future of a large population of Marsh Fritillary Butterfly.

R801	Target 2020	Crucorney Energy Group	Monmouth
------	-------------	------------------------	----------

Target 2020 aims to engage with the local community to highlight the importance of reducing their carbon footprint and the impact on the planet. The group aim to raise awareness on matters such as renewable energy and energy efficiency through a series of public meetings, newsletters and displays, encouraging the local community to be active in the fight against climate change, whilst supporting and encouraging further volunteering opportunities.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R802	Dolforwyn Community Woodland	Montgomeryshire Wildlife Trust	Montgomeryshire	

The project focuses on the development of a newly acquired woodland reserve to create an accessible, educational and inspiring natural space for members of the local community and partner organisations residing in the surrounding catchments to utilise and enjoy.

R803	Our Beacon for Bats	The Vincent Wildlife Trust	Brecon and Radnorshire	
------	---------------------	----------------------------	------------------------	--

The project involves communities, volunteers and landowners in the conservation of the lesser horseshoe bat in the Upper Usk Valley. The landscape of this area is internationally important for the lesser horseshoe bat and the project will help local people to learn about the bats living in their local area as well as liaise with landowners to advise them how to manage their land appropriately.

R804	Ethelstone Allotment	Dee Valley Community Partnership Ltd	Clwyd South	
------	----------------------	--------------------------------------	-------------	--

The aim of this project is to set up a community allotment on a neglected area of land in Cefn Mawr to allow locally grown food to be available to groups and the public. By establishing the Allotment as a community project, the group aim to support local inhabitants, bring about visible changes to the local environment and encourage the local people of Cefn Mawr to get their hands dirty and grow their own food.

R805	Dyfi Osprey Project	Montgomeryshire Wildlife Trust	Montgomeryshire	
------	---------------------	--------------------------------	-----------------	--

The Dyfi Osprey Project is a community led initiative based around local people that aims to educate and inform visitors and children about the magnificence of ospreys, birds of prey, birds in general and other wildlife both on the reserve and locally, through the Welsh and English language.

R806	Academy Allotments	Vision 21 (Cyfle Cymru)	Cardiff North	
------	--------------------	-------------------------	---------------	--

Academy Allotments in Leckwith, Cardiff manages and maintains a former disused allotment and brown field site to develop a dedicated horticultural training environment for volunteers and people with learning needs. Using organic principles, those involved in the project learn a range of horticultural, vegetable production and garden maintenance skills.

R807	Coed Gwern	Centre for Alternative Technology	Montgomeryshire	
------	------------	-----------------------------------	-----------------	--

Coed Gwern aims to contribute to the improvement of the Welsh Environment through restoration and management of our 15 acre woodland to create an environmentally and economically sustainable woodland enterprise and by using woodland as a demonstration site and base for educational and dissemination to encourage replication and the uptake of sustainable woodland management practise.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R808	South Splott Residents Environmental Project	South Splott Residents' Association	Cardiff South and Penarth	

South Splott Residents Association aims to engage local residents in activities to improve the local environment and raise awareness of local issues. There is a significant problem with anti social behaviour in the area so the group encourage younger members to make a positive impact in the community they live in through environmental activities.

R809	National Beekeeping Centre for Wales C.I.C.	National Beekeeping Centre For Wales Cic	Aberconwy	
------	---	--	-----------	--

The National Beekeeping Centre for Wales (NBCW) project aims to assist in the development of beekeeping, the conservation of bees, other pollinators and their habitats in ways that are sustainable and environmentally responsible. The project provides Wales with its first national centre, which will provide a focus for beekeeping in Wales and which will offer educational/practical courses for all levels of beekeeping and apiculture.

R810	Permaculture Woodland Project	Coed Marros Ltd	Carmarthen West and South Pemb	
------	-------------------------------	-----------------	--------------------------------	--

The Permaculture Woodland Project works to increase accessibility around the wood and create a forest garden to demonstrate sustainable permaculture growing in a woodland setting. The group aim to maximise the biodiversity of the woodland and run courses to allow others to follow this innovative system of sustainable woodland management.

R811	Growing for the Veg Box	CoStar	Torfaen	
------	-------------------------	--------	---------	--

CoStar is working collaboratively on growing local produce for local businesses, veg box schemes and schools and aims to establish horticultural based opportunities for young people, families and older people within community. It encourages behavioural change in the purchase and preparation of food and educates residents in waste minimisation.

R812	Transition Narberth	Transition Narbeth	Preseli Pembrokeshire	
------	---------------------	--------------------	-----------------------	--

The main aim of Transition Narberth is to develop local solutions to the twin challenges of climate change and peak oil. The group will raise awareness of these issues by training members to give talks to local community groups and schools and will work towards producing a local energy descent plan.

R813	Cwm Marteg Project	Radnorshire Wildlife Trust	Brecon and Radnorshire	
------	--------------------	----------------------------	------------------------	--

The main aim of the Cwm Marteg Project to reach landowners, community groups and other people of all ages to raise awareness, appreciation and understanding of wildlife, the local environment and sustainable land management, so that they are better able to care for and protect it for the future.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R814	Community Allotments and Wildlife	Oaklands Hall Allotment Association	Caerphilly	

Oaklands Hall Allotment Association is a community allotment group who have cleared a derelict site and returned it to community use. They aim to develop the area further by establishing a wildlife area behind the allotment site, which was previously used for fly tipping and is therefore not suitable for growing produce in order to increase the species diversity within the habitat.

R815	The West Glamorgan Training Apiary	West Glamorgan Beekeepers Association	Gower / Gŵyr	
------	------------------------------------	---------------------------------------	--------------	--

West Glamorgan Beekeepers Association is hoping to expand its membership further and educate the wider public about the important role bees play in our lives. With the development of a new teaching apiary the group wishes to encourage both new and experienced beekeepers, focusing on modern beekeeping methods and keeping abreast of new research techniques.

R816	Wildlife Awareness Project	North Wales Wildlife Trust	North Wales/ Gogledd Cymru	
------	----------------------------	----------------------------	----------------------------	--

NWWT aim to involve more people in wildlife conservation, especially in the monitoring and surveying of species. This project will aim to create groups that are self sustaining to enable the continuation of future work with the guidance of the NWWT.

R817	Canolfan Felin Fach Allotment Project	Canolfan Felin Fach Centre Ltd	Dwyfor Meirionnydd	
------	---------------------------------------	--------------------------------	--------------------	--

The aim of the Canolfan Felin Fach Allotment Project is to improve the physical and mental well being of the service users. This will be achieved by providing opportunities for individuals to take part in physical activities in the garden, being outdoors and producing fruit and vegetables.

R818	Churchyard Maintenance	St Mary's Churchyard Volunteer Group	Clwyd South / De Clwyd	
------	------------------------	--------------------------------------	------------------------	--

The objective of the churchyard management group is to maintain the churchyard in an environmentally friendly and manageable manner. Interpretation materials about the churchyard will enable the group to encourage more people to explore and learn about their local churchyard.

R819	Glyncoch Eco Garden	Glyncoch Green & Friendly Action (gafa)	Cynon Valley/ Cwm Cynon	
------	---------------------	---	-------------------------	--

Glyncoch Green and Friendly Action Group (GAFA) have identified an area to be transformed into an 'Eco garden park.' It will feature a natural play area, alongside a community garden, community allotment and conservation area. The project will increase voluntary action, support the personal development of volunteers; provide a sense of pride within the community whilst simultaneously creating a physical improvement to the area.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
R820	ECBKA Apiary Project	East Carmarthenshire Beekeeper's Association	Carmarthen East and Dinefwr/ Dwyrain Sir Gaerfyrddin a Dinefwr	

ECBKA Apiary Project aim to continue raise awareness over the importance of bees and the role they play in the natural world through events and publicity, whilst training enthusiastic participants to become responsible beekeepers.

R821	Space 2 Grow	Friends & Family, Crickhowell Primary School	Brecon and Radnorshire/ Brycheiniog a Sir Faesffordd	
------	--------------	---	---	--

Space 2 Grow will provide a series of activities to bring the grounds of Crickhowell Primary School to life. The project aims to construct wildlife areas to increase the biodiversity of the grounds, the group will also create an allotment and orchard to encourage environmental learning, reduce food miles and promote healthy eating to children of the school, their families and the local community.

R822	The Coed Tan-y-Bryn Nature Reserve Project	Green Phoenix	Ceredigion / Ceredigion	
------	---	---------------	-------------------------	--

Awel Aman Tawe is a community energy and environmental charity. The ultimate aim of the project is to support a process of local regeneration through the establishment of a small community-owned and managed windfarm, and develop an Environmental Education Centre.

R823	Hentland Willow Coppice Scheme	Pembroke 21c Cic	Carmarthen West and South Pemb/ Gorllewin Caerfyrddin a De Penfro	
------	-----------------------------------	------------------	--	--

Hentland Willow Coppice Scheme project aims to plant native species of trees and willow that will benefit local habitats and attract new species to the area. The project will provide products that will benefit the wider environment through the prevention of flooding and habitat creation.

R824	Bethesda Burial Grounds Garden	Beaufort Tenants & Residents Association	Blaenau Gwent	
------	--------------------------------	---	---------------	--

Beaufort Tenants & Residents Association aim to regenerate Bethesda Church Burial Grounds, which is a focal point in the village of Beaufort. The group have started the regeneration project in two phases. The first is to clear overgrown bushes and replant the current beds. The second phase is to continue with a planting scheme to create a community garden, work with local groups and bring the community together with social activities.

R825	Fforchneol Allotment - Edible Forest Garden & Visitor Centre Project	Aman Valley Conservation Association	Cynon Valley/ Cwm Cynon	
------	--	---	----------------------------	--

The primary aim of the Fforchneol Allotment project is to create a sustainable edible forest garden that can be passed down to the next generation of local allotment users, while providing a modest platform for information and education about moving more and more towards sustainable living practices for the future.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
--------	----------	-----------	----------------------	-----

R826	Mi Casa Su Casa	National Trust Wales	Carmarthen West and South Pemb/ Gorllewin Caerfyrddin a De Benfro	
------	-----------------	----------------------	---	--

Stackpole Outdoor Learning is based around an historic farmyard. Outside of this core area is 800 hectares of Pembrokeshire countryside. As the built area has been redeveloped the project aims to create areas for wildlife to flourish, and provide information and interpretation to visitors that will encourage them to create spaces for wildlife at home.

R827	Pembrokeshire Beekeepers' Centre	Pembrokeshire Beekeeper's Association	Preseli Pembrokeshire/ Preseli Sir Benfro	
------	----------------------------------	---------------------------------------	--	--

Working with Pembrokeshire County Council the PBKA aims to establish the centre as a centre of excellence in a phased programme at Scolton Manor. The first phases concentrate largely on the Pine Tree Apiary which is adjacent to a main path on the Scolton Estate. This will allow the public to view the hives and interpretation boards in a safe and secure manor and be used to train people who want to learn about or improve their beekeeping.

R828	Winllan Project	Oriel Plas Glyn Y Weddw	Dwyfor Meirionnydd	
------	-----------------	-------------------------	--------------------	--

The main aim of the project is to restore and manage a 12-acre woodland which had been hidden for 70 years due to dense growth of laurel and rhododendron. In 2012 the woodland will be opened to the public and will serve as an educational resource as a result of a comprehensive natural heritage interpretation programme that the group is aiming to provide. Once completed, the site will be a hugely important resource both for the local community and visitors to the area.

R829	Skokholm: Past, Present and Future	Friends Of Skokholm And Skomer	Preseli Pembrokeshire/ Preseli Sir Benfro	
------	------------------------------------	--------------------------------	--	--

The Skokholm: Past, Present and Future project will extend opportunities for volunteers to gain skills in practical conservation and data reading, through training and direct experience. It will increase public awareness of Skokholm Island, its ecology and its fascinating scientific and social history.

R830	Something for the Weekend	National Trust Wales	Gower/ Gŵyr	
------	---------------------------	----------------------	-------------	--

On Gower the National Trust looks after 5,500 acres including 26 miles of coast line. Habitats include salt marsh on the northern coast, several Green Flag beaches then maritime limestone grassland on the South Gower coast plus areas of Heath land and woodland. Volunteers are crucial to the management of Gower. With these volunteers the group undertakes a wide range of practical environmental activities that aim to keep Gower special for its inhabitants, its visitors and for its wildlife.

R831	Plas Dwbl	Ruskin Mill Educational Trust	Preseli Pembrokeshire/ Preseli Sir Benfro	
------	-----------	-------------------------------	--	--

Plas Dwbl, a 100 acre bio-dynamic farm, is committed to sustaining the environment. The aim of the project is for the regeneration of the bio-dynamic farmland and enhancing non intensive farming techniques, whilst raising awareness of sustainable and symbiotic relationships between man and the environment.

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
--------	----------	-----------	----------------------	-----

R832	Sandfields Road Garden	Daclus Sandfields Aberavon	Aberavon/ Aberafan	
------	------------------------	----------------------------	--------------------	--

The Sandfields Road Garden project aim to use the garden as an educational resource. It will not only reflect the town's rich history and culture but feature recycled and re-used goods that have been used to create the garden. Native plants, shrubs and trees will be planted within the garden to attract local wildlife which will also educate and inform the local community, schools and groups that visit the space.

R833	Turning a New Leaf	National Trust Wales	Neath/ Castell Nedd	
------	--------------------	----------------------	---------------------	--

The National Trust Wales own and manage a one hectare patch of woodland behind the Aberdulais Tin Works and Waterfall visitor site. With the Turning a New Leaf project the group are aiming to engender more meaningfully with the local community and generate more local support for the woodland to encourage a sense of ownership.

R834	Monkton Gypsy Traveller Project	Btcv Cymru	Preseli Pembrokeshire/ Preseli Sir Benfro	
------	---------------------------------	------------	--	--

This project focuses on gypsy traveller families in Pembrokeshire. This BTCV project will focus on integrating children outside of formal education into the community and provide them with key skills in horticulture and conservation as well as improving the local environment and development of a garden as a shared community resource.

R835	NPT Nectar Bar Project	Neath Port Talbot Biodiversity Action	Aberavon/ Aberafan	
------	------------------------	--	--------------------	--

The aim of the NPT Nectar Bar Project is to create a network of wildflower nectar bars at five sites across Neath Port Talbot county borough. This will be done by reseeding areas of amenity grasslands within community accessible areas with nectar and pollen-rich wildflowers. The resulting areas will benefit bee and butterfly populations as well as many other species as well as involving members of the local community in practical conservation work.

R836	Forest Farm	Btcv Cymru	Cardiff North/ Gogledd Caerdydd	
------	-------------	------------	------------------------------------	--

The aim of this BTCV project is to manage the Forest Farm community garden with the main focus of giving people knowledge and skills to encourage wildlife gardening and vegetable growing as well as improving personal skills such as team work and communication.

R837	The Low Carbon Cook-off	Eco Centre Wales	All Wales/ Cymru Gyfan	
------	-------------------------	------------------	------------------------	--

The Low Carbon Cook-off project aims to open up the conversation and raise public awareness of the environmental and social issues surrounding our food choices, focusing on the ingredients we choose to buy. It does this in a fun, engaging and participatory way by hosting a series of cook-offs, where the competition is based on cooking the most sustainable dish

ProjNo	ProjName	GroupName	AssemblyConstituency	URL
--------	----------	-----------	----------------------	-----

R838	Plas Power Woods	The Woodland Trust	Wrexham/ Wreccsam	
------	------------------	--------------------	-------------------	--

The aim of the Plas Power Woods project is to raise awareness and understanding of the value of Plas Power Woods and encourage people to become actively involved with their natural environment.

R839	Llangattock Community Woodland Project	Llangattock Community Woodland Group	Brecon and Radnorshire	
------	--	--------------------------------------	------------------------	--

Llangattock Community Woodland Project (LCWG) aspires to encourage local people to actively participate in raising awareness of the benefits of local woodland management through volunteering. Opportunities for volunteers include biodiversity training and habitat creation/management and these activities also improve local health and wellbeing and community cohesion.

R840	Dyffryn Community Garden Project	Dyffryn Community Garden Association	Aberavon	
------	----------------------------------	--------------------------------------	----------	--

The Community Garden will provide an opportunity for community members both young and old to grow their own produce and encourage a healthier lifestyle through the activities provided. There will be opportunities to learn new skills and develop intergenerational activities around horticulture and biodiversity.

R841	Fedw Hir Eco Centre Horticulture Project	Groundwork Merthyr and RCT	Cynon Valley	
------	--	----------------------------	--------------	--

This project is situated at Fedw Hir and focuses on attracting volunteers and community members to learn about horticulture, sustainable food systems and the environment.

R842	Community and Therapeutic Gardening Project	Gerddi Bro Dyfi Gardens	Montgomeryshire	
------	---	-------------------------	-----------------	--

The Community and Therapeutic Gardening Project aims to maintain and enhance a community wild space and garden which has been restored as a community resource for both education and leisure.

R843	Merthyr Geo Heritage Project	British Institute for Geological Conservation (BIGC)	Merthyr Tydfil and Rhymney	
------	------------------------------	--	----------------------------	--

The Merthyr Geo Heritage Project works to protect unique geological sites and geologically controlled landscapes through education and increased use. The project will inform and educate local people, visitors and stakeholders about the importance of local sites and how the rocks beneath their feet have influence their landscape, their heritage and lives.

R844	'Y' Garden	The Ymca National Council Of Wales - Newgale	Preseli Pembrokeshire	

Newgale YMCA OEC is creating an education and training garden for local young people and families to access training in horticultural and market gardening best practices that supports the environment.

R845	Greener Estates	Cantref Housing Association		
------	-----------------	-----------------------------	--	--

Cantref Housing Association's housing estates are often in very deprived areas where people struggle with issues such as fuel poverty and worklessness and yet people want to improve their lives and the estates where they live. With this project the group hope to change perceptions of what is a sustainable lifestyle and support tenants to make their lives and environment better and more sustainable.

R846	Reduce, Re-use, Recycle	Cardiff People First	Cardiff West	
------	-------------------------	----------------------	--------------	--

Re-use, Recycle, Reduce is a project that supports and educates volunteers who have a learning disability aged 14-25, about the environment and sustainability. The group use creative and innovative ways to get the issues across and inspire volunteers to take positive steps to becoming more environmentally friendly.

R847	Cefn Onn Country Park Restoration Project	Friends Of Parc Cefn Onn	Cardiff North	
------	--	--------------------------	---------------	--

The group are focusing on the restoration of a neglected Country Park to a wildlife-friendly environment providing a community resource for environmental education, exercise and relaxation.

R848	Old Hall Grounds Revival	Cowbridge Charter Trust	Vale of Glamorgan	
------	--------------------------	-------------------------	-------------------	--

The group intend to establish a community garden, rich in biodiversity for use as an educational resource for local schools, community groups and town visitors.

R849	Tredomen Allotments	Tredomen Allotments Association	Caerphilly	
------	---------------------	------------------------------------	------------	--

The main aim of the project is to encourage the local community in the growing of fruit, vegetables and flowers within the allotments and new garden areas and provide a place of peaceful relaxation with the park.

R850	Howardian LNR Development Project	Friends of Howardian LNR	Cardiff Central	

The Friends of Howardian volunteers intend to continue to maintain and where necessary develop new projects on the 33 acre Local Nature Reserve site, a former council refuse tip, to ensure that the flora and fauna present continue to thrive.

R851	Chapel Graveyard Project	Hengoed Chapel	Caerphilly	
------	--------------------------	----------------	------------	--

The group aim to restore a neglected area of graveland to a wildlife-friendly meadow and to provide a community resource for environmental action.

R852	Magor Marsh Community Access Project	Gwent Wildlife Trust	Monmouth	
------	--------------------------------------	----------------------	----------	--

This project will improve access to the reserve; refurbish the paths and boardwalks to allow people of all abilities to travel into the reserve whilst improved interpretation will enable visitors to understand and appreciate the habitats and species found there.

R853	Swinchiard Brook Education Project	Btcv Cymru	Delyn	
------	------------------------------------	------------	-------	--

BTCV Cymru has previously undertaken access work at Swinchiard Brook and now wishes to encourage local people to visit the site and the surrounding area by inspiring them with the wildlife living on their doorstep through educational activities and awareness raising events. The group also work with local volunteers to encourage them to take up wildlife monitoring by offering them skills and training.

R854	Glantawe Riverside Park	Arena Pontardawe	Neath	
------	-------------------------	------------------	-------	--

Through this project the group hope to continue maintaining and improving habitats on site through appropriate management whilst engaging and educating local communities and improving access to the site to help educate visitors about the local environmental heritage and its importance.
